It's Prom, Graduation, and Summer Vacation time.
Parents please encourage your kids to always make safe choices! https://catsnh.org/

BEFORE THEY MAKE PLANS WITH FRIENDS...

Establish some family rules for social and extracurricular activities.

Young people don't always have all the facts when it comes to alcohol and other drugs. Talk with your children about the risks of underage drinking and substance use, and be clear and consistent about your expectations. For tips on how—and when—to begin the conversation, visit
