"Very comfortable buying experience. No pressure. Kurt has put together an excellent team. Lexy, James and Denny took great care of me from first contact through the entire process. In a short time I had financing, insurance, plates, and registration in hand. Nothing left to do but drive. Thanks to everyone at Kurt Johnson Auto!"

Leo Nezda

"As soon as I inquired about a vehicle I saw on the lot, Jennifer was immediately available to assist me. I felt I was treated NO differently, as a woman, asking about the motor and four-wheel drive. I felt respected and was not intimidated by a "pressure" sale. As a matter of fact, I was MOST impressed by her honesty and integrity in helping me find the perfect vehicle! I cannot thank her, and ALL the Kurt Johnson staff enough. Thanks Again!!"
