Traffic Crash

On November 25, 2026, at approximately 7:15 AM, California Highway Patrol, Mojave Area, officers were dispatched to a reported multi vehicle traffic crash on State Route 14 Southbound, south of State Route 178 West. A Ford Explorer was traveling southbound on State Route 14, south of State Route 178 Westbound. An Isuzu Commercial vehicle was traveling northbound on State Route 14 south of State Route 178 westbound. As the two vehicles approached one another, a traffic crash occurred. One of the parties involved was transported to Ridgecrest Hospital via ground ambulance with suspected minor injuries, while the other party involved was transported to Antelope Valley Hospital Via Air Ambulance with suspected major injuries. Driver impairment is not suspected as a contributing factor to this crash at this time. This crash remains under investigation.

If you witnessed this crash, please contact Officer J. Dugan at the CHP Mojave Area office at (661) 823-5500 or CHPMojaveTips@CHP.CA.GOV.

The California Highway Patrol would like to take a moment to remind everyone to properly wear their seatbelt and drive responsibly. Follow speed limits, maintain safe distances from other vehicles, and only pass when legal and safe.
