And the WINNERS are...

We're beyond thrilled to celebrate this year's Readers' Choice Awards — 3,800+ votes poured in from our amazing Morongo Basin community! This incredible response shows just how much our local businesses and organizations mean to the people who live and work here.

The Morongo Basin is full of passion, dedication, and talent, and this year's winners represent the very best of our community. From 501(c)(3) nonprofits and youth sports programs to churches, doctor's offices, electricians, carpet and floor cleaning services, and print shops — each business featured here has earned the admiration and support of its neighbors.

On the following pages, you'll find the top three vote-getters in each category. These are not just businesses; they are the people who make our community stronger, friendlier, and more vibrant every single day. We applaud each of you for your hard work, your dedication, and your role in making the Morongo Basin shine.

Keep this Best of the Best edition as your guide to the exceptional businesses that make this area the wonderful place it is. And you can help us continue celebrating excellence next year by voting for your favorites or suggesting new categories — just email news@hidesertstar.com.

To every business owner, nonprofit leader, and service provider: this recognition belongs to you. You are the heart of the Morongo Basin, and we are proud to honor your incredible contributions!
