#1 Best Daycare

#1 Best After School Care

Kids First Childcare

Kids First Childcare owner Alesia Miller could not have named her childcare center a better name. For nearly 20 years, parents have put their trust in Alesia and her staff to provide safe, high-quality care in a forward-thinking learning environment.

"We reached our maximum capacity within two weeks after opening our doors in 1997," Alesia said. "After 10 years at our first location, we were able to move to our current location, where we were able to double our capacity. It's been a lot of hard work, but I have loved every minute of it."

Not only is Alesia's staff highly trained and exceed state standards, but she also retains her staff with most of them being at Kids First for 10 years or more. "I believe that we never stop learning and our staff members work as a team," she said.

Call or visit anytime (they have an open door policy). They are located at 1710 Hillyer Robinson Industrial Pkwy, Anniston, and their phone is 256.831.8881. They are open from 5:30 a.m.-6 p.m., serving children from four weeks to 12 years of age.
