GENERAL ELECTION TUESDAY NOV. 3: Important information for voters **P6**

Minnesota expects prompt election results

Secretary of State takes steps to reduce ballot-counting delays on Nov. 3

BY BILL STICKELS III
EDITOR@COUNTYSTAR.COM

A steep increase in absentee voting has raised concerns across the nation about when election results will be announced. In Minnesota, however, the Secretary of State's office has taken steps to prevent significant delays in reporting results, even to the point of getting results earlier than before.

"We have been suggesting to Minnesotans that they take a good, hard look at voting from home, by mail (in order to decrease the chances of spreading COVID-19)," Minnesota Secretary of State Steve Simon said in a video conference call with reporters from across the state. "The Minnesota Legislature authorized us to use funds for that purpose, knowing and I think wisely, predicting as it turns out, that people would flock to this particular option of voting."

According to Simon, as of Oct. 9, over 1.3 million Minnesotans have requested an absentee ballot, "that shatters all records by multiples," he said.

Predicting this would happen, Simon said the state also

took measures for counting those ballots. The biggest decision, according to Simon, was the state is allowing counties to begin counting all those ballots a week earlier than normal. Previously, absentee ballots could be counted starting one week prior to election day. This year, however, ballots could be counted two weeks prior, which means ballots were starting to be counted as early as Tuesday, Oct. 20.

"That means all that mail, up to 1.3 million, they (county and city officials) can start digging into that," Simon said. "There are some states in this country,

4-H garage sale leader, Stanchfield, retires after 38 years

BY TERRY SALMELA
NEWS@MORAMINN.COM

The 4-H garage sale that has been held at the Kanabec County Fairgrounds for 38 years will soon be ending. The annual sale has raised funds for many improvements to the buildings used for 4-H events at the fairgrounds.

Behind every successful project there is a person who gives leadership to it. That person is Cory Stanchfield. Cory along with Donna Golly started the 4-H garage sale in 1983. It was so successful that people encouraged them to have more sales. Initially, 4-H clubs and families supplied the items for the sale. Then other people started to donate stuff.

They got so much stuff donated that the sale evolved into a four-day sale that ran for two weeks. Then people encouraged them to run it longer. Over the years, they have held it in several different buildings

on the fairgrounds. In 1992, after the new 4-H Building was completed they started holding it from April to the second week in June on Thursdays, Fridays and Saturdays.

In the beginning, they raised a lot by selling at $2/bag. Then they raised it to $5/bag for a long time. This year because of COVID-19, the sale is being held from July 10 to Oct. 30. The next two weeks will be a "Blow Out Sale." Buyers are able to put all that they can into a bag for $2/bag.

"We never run out of books," said Cory. "We sell 25 books for $1.00. We have to get rid of them all." She added that they had sold 2,025 books by the end of August and 1,200 in September alone. They put some extra books in the Book Town boxes in Mora and Ogilvie.

Why does she do it? She said, "I do it because the money made goes for the kids."

What has been the most challenging? She added, "Getting rid of it all." She feared that people would drop off junk. However, she said that 99% of the donated items are good.

"Every year we get new stuff," said Cory. The stuff that does not sell is donated to several different organizations. They include the Veteran's Hospital in St. Cloud;

Dog park hopefuls gather support

BY KIRSTEN FAURIE
EDITOR@MORAMINN.COM

A grassroots group of Mora residents have organized an effort to construct a dog park somewhere in Mora.

"We are just concerned citizens trying to build something good for the community," said Carmen Finn, chairperson of the recently formed Friends of the Mora Dog Park.

The group first formed quite casually. Finn said she was browsing a community Facebook group when "some girl wrote, 'I really want a dog park in Mora. Will somebody do something about that?'"

With knack for community action, Finn stepped up and approached the Mora Park Board with a simple question: what do we need to get this done?

The answer: money.

In years past, the Mora

LETTERS TO THE EDITOR

Insulin letter fatally false

To the editor,

Last week a wildly inaccurate and dangerous letter was published in the *Times*. A citizen from Moose Lake claimed that the $25 insulin (better known as "Walmart insulin") is the same as the prescription only ($300 a vial) insulin that is typically prescribed for individuals with type 1 diabetes. This statement is not only false, it is terrifyingly dangerous.

To anyone with diabetes: please do not attempt to substitute Walmart insulin for your prescribed insulin. The mechanism of action and timing are different and if used in the same way could lead to severe hypoglycemia hours after taking it.

This insulin is the formula commonly used in the 80s and 90s when the phrase "dead in bed" began to be used commonly to refer to diabetics who died in their sleep due to severe hypoglycemic episodes during sleep.

Shari Wiltrout, RN
Cambridge

Long-term fix needed for insulin prices

To the editor,

I am a Wisconsinite living with type 1 diabetes who would like to refute claims made in a previous "Letter to the Editor" that stated insulin is affordable. I can confirm without a shadow of a doubt that insulin is not affordable. The Walmart brand insulin, Novolin ReliOn, that is referenced is offered at $25 but is meant to be used as a last resort option by people living with T1D. Using this insulin daily long-term may result in life-threatening high and low blood sugar levels, even death. When it comes to insulin, there is no generic. It's not a difference between getting a Kate Spade bag and a Target handbag. It's the difference between what works and what doesn't for people managing T1D, between life and death.

The Walmart brand insulin referred to in this letter is not a solution to the insulin crisis that plagues this country. A simple Google search will tell you that. Do not be fooled by statements like "insulin is cheap like water." The well runneth dry for the average American. Our faucets are not made of gold.

Insulin production costs are estimated to be around $5 for viable solutions. However, the typical manufacturer charges around $540 a vial. People managing T1D

often need 2-3 of these to survive every month. While many coupon programs have been instated to help people through COVID-19, the question among the community remains whether these programs will last and for how long.

Coupon programs aren't the answer. Walmart's insulin is not the answer. We need a long-term fix that we can count on, which is why insulin price caps across the nation are crucial to our existence. Imagine being able to cap the prices on insulin for the past several decades, but not offering better affordability through coupon programs until a pandemic struck (or creating price caps). We need to take greed out of the U.S. healthcare equation and put basic human care and compassion at the forefront as the driving force. Access to affordable insulin should be a bipartisan concern. It shouldn't matter who you are or what you believe.

So, I close by asking the same question, "Why is this subject not getting the attention it deserves?" The root of the insulin crisis needs attention, not the spread of misinformation about the T1D experience. Our healthcare system needs transformation and a lot of it.

Advocate for lower insulin prices

To the editor,

Opinions don't override facts. As advocates for people living with, and personally impacted, by diabetes, we were troubled by a recent LTE in this paper. Though the piece may have been well-intended, it's highly inaccurate. Here are the facts on insulin affordability:

Many people believe $25 Walmart insulin is the same as analog insulin, like Novolog and Humalog. However, over-the-counter, "Walmart" insulin is completely different from newer analog insulin. They aren't "scientifically or chemically" the same, and aren't 1:1 switches. Additionally, these formulas may react differently for each person with diabetes, as diabetes is a very individualized disease.

Any suggestion from someone who is not a medical professional is flat out dangerous. If misconstrued, it could, and has, lead to death.

Analog insulin formulas have a retail cost of $300+ per vial in the United States. This is 10 times more than nearly anywhere else in the world, including our neighbor, Canada.

When Eli Lilly, manufacturer of Humalog insulin, reports revenue of $2.996+ billion in insulin sales in 2019, yet people with diabetes ration and die because they cannot afford it, we have a major problem.

The cost of insulin shouldn't be politically motivated. It's become a left vs right issue, yet the only sides that matter to people with diabetes are life or death.

Shouldn't we advocate for insulin manufacturers to lower their list prices and stop price gouging people out of their lives?

If you care, vote Democrat

To the editor,

Election day is 12 days away. It has been said that this is the most important election in many decades. At this point most folks have already decided on who they will elect. For those of you who have not decided yet, I will spell it out for you.

Democrats want affordable healthcare for all Americans, not just those who can afford it. Republicans want to do away with the Affordable Care Act and protections to folks with preexisting conditions. They would like for private companies to make decisions about your healthcare. They don't make decisions to help people, they make decisions to make more money for their stockholders. If you think healthcare is important, you should vote for Democrats.

The climate crisis is real. If something is not done soon, we might get into a disaster that will not be reversable (some scientists think this has happened already). Democrats believe in science and want to pass legislation that will start the process of correcting this problem. Republicans do not believe in science except when it fits their agenda. They have gutted the Environmental Protection Agency. If you care about our world you should vote for Democrats.

The last few decades have been bad for the middle class. More folks have to work 2-3 jobs just to make ends meet, and more people are living below the poverty line. Democrats want to tax corporations and the extraordinarily rich at rates such that they pay their fair share of taxes in this country. Republicans have passed tax cuts that have mostly benefitted the rich and corporations. It is a shame that many rich (including the president) pay little or no taxes. Republicans would like to continue to cut corporate taxes. If you think the tax laws are unfair and there are too many loopholes such that corporations and rich folks do not pay their share, then you should vote for Democrats.

If you believe the second line of our Declaration of Independence that says, "…all men are created equal," (It should say all people are created equal.), then you should vote for Democrats as many Republicans have ideas that are outright racist.

If you are tired of all the lies, fraud and the horrible response to the coronavirus pandemic, then you should vote for Joe Biden and all the Democrats on the ticket.

No fake news until we got a fake president

To the editor,

In response to Gerald Evenson's advertisement "The 2020 Election Project" in the Sept. 24 *Times*:

It's Donald J. Trump that is destroying America and if you get your head out of the dark place it's been for the last four years, you might see the truth. I take offense to the Anti-God and Anti-American reference. Why do you think China is doing military maneuvers—you think they are afraid of Biden—no—they are afraid of the next "Hitler."

Was it fake news when Trump was accused of raping a 13-year old girl? Was it fake news when Trump said he could grab a woman's [expletive]? Was it fake news when he borrowed money from Deutsche Russian Bank and didn't pay it back? Was it fake news when Trump paid $130,000 for sex? Was it fake news when Trump made fun of a very handicapped man? No to all—we never had any fake news until we got a fake president.

Now we find out about his tax returns—what can the Trumptards say now—not more fake news!

I would like to say to the women who are going to vote for Donald J. Trump—when did you lose your dignity and self-respect as a woman?

To all who didn't like Obama (we all know the reason), a question for you: in the 2016 election, if Donald J. Trump was black, would you still have voted for him?

Think about it.

HOROSCOPES

ARIES - Mar 21/Apr 20
Carve out some time to tune into your inner muse, Aries. It's time to have a little fun and put work and household responsibilities to the side.

TAURUS - Apr 21/May 21
Taurus, don't blow off your obligations, but find a way to make work more fun. That may happen by teaming up with a coworker who shares your perspective.

GEMINI - May 22/Jun 21
Gemini, if things get a little confusing over the next couple of days, don't feel the need to try to figure everything out. Take the time you need to complete the tasks at hand.

CANCER - Jun 22/Jul 22
Cancer, while you may not be able to engage in all of your wildest dreams this week, you can give yourself permission to take a day off and get started.

LEO - Jul 23/Aug 23
Are your intuitive senses ringing off the hook, Leo? Trust your gut when someone asks you to help them with a situation. It may not be all that it seems right now.

VIRGO - Aug 24/ Sept 22
Give your analytical brain a rest for the time being, Virgo. Lead with feelings and intuition instead. It may not feel comfortable just yet, but a new perspective may help.

LIBRA - Sept 23/Oct 23
Libra, if you have been trying to be more healthy or get in shape, focus on what you're gaining rather than giving up. This can make you more successful in your endeavors.

SCORPIO - Oct 24/Nov 22
Romantic vibes are very strong in your life right now, Scorpio. This is great if you're connected or seeking a relationship. But resist if you're currently unavailable.

SAGITTARIUS - Nov 23/Dec 21
Sagittarius, your domestic life may start to tug at your heartstrings. If you're balancing work and family, you may regret not spending more time with the kids.

CAPRICORN - Dec 22/Jan 20
Capricorn, if you have been quiet in regard to a relationship with someone, it's time to let your true feelings be heard. It may be uncomfortable for a bit, but it's necessary.

AQUARIUS - Jan 21/Feb 18
Aquarius, money may is a hot topic in your house lately, particularly how more is going out than coming in. Corral your spending for awhile as you get things under control.

PISCES - Feb 19/Mar 20
Pisces, you're never one for following the pack, so don't start now. Embrace your unique sense of self and continue to march to your own beat.

DON'T FORGET THE ONE QUESTION ON THE BALLOT ...

County Question 1: Approval of Special Tax Levy for Kanabec County Historical Society

Background

The Kanabec History Center is facing significant income loss. It has cut expenses considerably over the last several years but is in danger of closing permanently in 2021 without a new income source. The Kanabec County Historical Society is asking voters to approve a property tax increase on Nov. 3 as a last-ditch effort to keep their doors open.

A question on the Nov. 3, 2020 presidential election ballot will include a question asking Kanabec County voters to approve or deny a special tax levy totaling $30,000. The local tax impact averages approximately $5 per property annually.

Budget trouble

The Kanabec History Center is a 501(c)3 nonprofit museum that receives no regular state or federal funding; nor is there mandatory financial support from the city or county. The center relies heavily on memberships, donations and annual non-mandatory contributions from area cities, county and townships.

The center's expenses have exceeded revenue, resulting in net losses of approximately $20,000 annually. The history center's entire annual revenue is approximately $40,000, with about $60,000-$70,000 in expenses.

If this pace continues, the History Center projected it would be forced to close in 2021.

If the History Center closed, its artifacts would be stored by the Minnesota Historical Society. Events, services, rental spaces and access to historic buildings such as Coin, Whittier and Webster schools would be unavailable to the public.

History Center History

Operated by the Kanabec County Historical Society, the center is located on 37 acres bordering the Snake River on the west side of Mora.

Kanabec County Historical Society was first formed approximately 90 years ago. The Kanabec History Center opened on June 24, 1978.

The property KHC sits on and the building itself were dedicated to the Kanabec County Historical Society by Pete McVay, in memory of his wife, Mary.

The Question: Shall the Board of County Commissioners of Kanabec County be authorized to establish and levy a special tax levy to be levied on all taxable property in Kanabec County, in the aggregate amount of $30,000 per year, beginning with taxes payable in 2021, and each year thereafter, the proceeds of which shall be appropriated to the Kanabec County Historical Society to support its work and purposes?

HOW DO I VOTE EARLY BY MAIL?

To vote by mail, apply to have an absentee ballot mailed to you. You do not need to be registered to apply.

For your ballot to count, remember this important information:
- **Read** the instructions that come with your ballot carefully.
- **Your** signature envelope might have a box for a witness to complete and sign. Due to COVID19, there is no witness requirement for registered voters for the November 3, 2020 State General Election. Non-registered voters will still need a witness, to indicate their proof of residence.
- **Mail the** ballot and forms back right away after you finish. Your returned ballot must be postmarked on or before Election Day (November 3, 2020) and received by your county within the next seven calendar days (November 10). You may also drop off your ballot envelope in person--see details below.

Apply for absentee ballot:

To request an absentee ballot for the November general election, use the online absentee application, or one of downloadable applications at www.sos.state.mn.us. Return your completed absentee application to your county election office by mail, fax or email.

Application deadline

You can apply for a ballot any time during the year, except the day of the election. Leave time for election officials to mail your ballot. Your returned ballot must be postmarked on or before Election Day (November 3, 2020) and received by your county within the next seven calendar days (November 10).

Deadline to return your ballot

Your ballot will not count if it is received after the deadline.

Returning your ballot by mail: It must be postmarked on or before Election Day (November 3, 2020) and received by your county within the next seven calendar days (November 10). Return your ballot by mail or package delivery service (such as FedEx or UPS).

Returning your ballot in person: You can also return your ballot in person no later than 3 p.m. on Election Day to the election office that sent your ballot. You can drop off ballots for up to three other voters. You will need to show identification with name and signature when returning a ballot for someone else. You may not drop your ballot off at your polling place on election day.

PARK: Grassroots group hopes to build dog park

FROM PAGE 1

Parks Board and Mora City Council have supported the idea of building and potentially maintaining a dog park if a community was willing to fundraise for it.

Soon, Finn had gathered a group of approximately 20 community members to support and fundraise for the project.

Already, they have gathered approximately $15,000 worth of pledges to support the project. Seeing their vision to completion will require more fundraising, approval by the Mora Park Board and approval by the Mora City Council.

'From a human standpoint, it's just another way for neighbors to get out and meet each other'

Carmen Finn
Chairperson, Friends of the Mora Dog Park

Finn said the group's job is not to determine the exact design or location of their hopeful dog park —that she says will be left up to the city.

Still, the Friends of the Mora Dog Park have some suggestions. One of the spaces the Friends group is suggesting for the dog park is city land located along the Mora Bike Trail, adjacent to the Kanabec History Center and Snake River.

Another space considered in the past was between the Jaycee Ballfields and Oakwood Cemetery.

Finn said a dog park would benefit the community in a number of ways including supporting the whole-health of both dogs and their people.

"As dog owners, you want what is best for your pups. So having a place for them to socialize is great. From a human standpoint, it's just another way for neighbors to get out and meet each other," she said.

Furthermore, Finn said having a well exercised, socialized dog can reduce other problem dog behavior such as excessive barking or aggression.

For anyone interested in joining the group or contributing financially can join their Facebook Group @moradogpark or email Carmen Finn at seefinn@live.com.

ELECTION: Minnesota results expected with minimal delays

FROM PAGE 1

big states, swing states, where they can't start digging into that mountain of mail until election day itself. From an administrative standpoint, that puts Minnesota in a real position of advantage."

The other action was to extend the deadline for election officials to accept absentee ballots to one week after the general election date, assuming the ballots are postmarked no later than election day (Nov. 3). What this will mean is that there is a chance 100% of the winners of the election won't be known as quickly as before.

"Election night is going to look and feel different from what Minnesotans and the rest of the country are used to," Simon said. "There will be, in a sense, no instant gratification, or less instant gratification on election night than we're used to."

Simon pointed out interested voters are used to winners being "called" on election night, or at the latest early the next morning. While that might not happen as much this year, Simon said the state has come up with a system that will still enable news outlets to announce as many winners as possible, minus only the closest races.

"This is literally by design," Simon said. "It's not evidence that anyone is hiding or concealing or rigging or stealing. It's evidence of the actual plan.

'...just because we won't have all the final ballots coming in that can be counted for a week doesn't mean that everyone's going to be standing around wondering who won and lost.'

Steve Simon
Minnesota Secretary of State

"But just because we won't have all the final ballots coming in that can be counted for a week doesn't mean that everyone's going to be standing around wondering who won and lost," he added.

Simon explained on the day before Election Day (Nov. 2), his offices will have an end-of-the-day total of all absentee ballots requested, plus all absentee ballots accepted up to that point. This will allow people to know how many absentee ballots are still unreceived simply by subtracting the number of absentee ballots requested by the number of absentee ballots counted.

On Election Day, all absentee, early in-person, and Election Day in-person ballots will be combined whenever precincts report their results.

"This is nothing new," Simon said. "They have, for decades and decades co-mingled."

In order for winners to be announced without fear of providing incorrect information, newspapers such as the *Kanabec County Times* will be able to look at the results, as well as the number of absentee ballots still outstanding. For example, if candidate "A" is 101 votes ahead of his closest opponent and there are only 100 absentee ballots outstanding, then candidate "A" can be declared the winner. The only change that can occur by Nov. 10 is the margin of victory.

Obviously, if a candidate is fewer votes ahead than the number of absentee ballots remaining, that candidate will not be declared the winner. However, Simon said his office is encouraging all counties to provide daily updated results from Wednesday, Nov. 4 through Tuesday, Nov. 10.

The *Kanabec County Times* will report as up-to-date results as we can on our website on election night, along with the Nov. 5 print edition of the *Times*. We will also give daily updates on our website at moraminn.com.

STANCHFIELD: 4-H garage sale to end after 38 years

FROM PAGE 1

Sharing and Caring Hands; St. Joseph's Coats; Goodwill and Salvation Army. This year with the pandemic, there are fewer places taking donated items because they have so much stuff already."

What has been done with the funds raised?

- 4-H Building got insulated and heated.
- 4-H Foodstand now has air conditioning, a new grill, freezer and other needed equipment
- Rabbit/Poultry barn got a new roof and siding.
- Goat barn got new pens.

Laura Ambrose, Kanabec County 4-H coordinator had this to say about Cory. I could have so many things to say about Cory! Cory is a 41-year volunteer with Kanabec County 4-H who has given herself tirelessly to help make opportunities available to the youth in our community. Through the years of coordinating the 4-H garage sale, Cory has collected donations, set up sales, boxed up items, coordinated workers and helped raise thousands of dollars to support our local 4-H program. We are so appreciative of the efforts she and all of our garage sale donors, workers and buyers have provided us.

TERRY SALMELA | TIMES

Cory Stanchfield is retiring.

Cory helps with several other 4-H projects including 4-H After School held on Mondays and Wednesdays from 3 to 5 p.m. at the Mora Library; 4-H Cloverbud Jamboree in July; 4-H Day Camp held the first week in August at the fairgrounds; the 4-H Foodstand and as the Webster Troopers 4-H Club Leader. In addition, she volunteers at her church and the Kanabec County History Center.

What will she miss when she is no longer doing the 4-H garage sale? Cory said, "I have met so many nice people in the community."

What has she learned through all of her volunteering? "There are a lot of good kids out there and a lot of good people, she concluded."

Therapist helps children through a silent world

BY MIKE GAINOR
NEWS@PINECOUNTYNEWS.COM

Nichole Melby knows firsthand what it is like for a young person who is deaf or hard of hearing to navigate the hearing world. She has been there herself.

Melby, who describes herself as a culturally deaf person and a Native American Sign Language (ASL) user, has joined Therapeutic Services Agency, Inc. as a mental health therapist in the Deaf and Hard of Hearing Program to help those young people overcome the challenges in their lives.

"I understood the unique challenges that deaf and hard of hearing children and adolescents face such as communication barriers [and] deaf-deaf-hearing identity issues," Melby said. "I found my work most rewarding when children and adolescents that I work with find their strengths and potentials to succeed despite their challenges."

Melby

Melby said she became interested in pursuing mental health therapy as a career while working in group homes and outreach programs where she taught independent living skills.

"I found my passion working with deaf and hard of hearing people with mental health and/or developmental disability when I worked with People Incorporated for over 10 years in various capabilities such as mental health support specialist, administrative assistant and mental health practitioner," Melby said.

These experiences led her to want to do more clinical work in the field of mental health, and she went back to school to get her masters degree in marriage and family therapy.

"During my internship, I worked with deaf and hard of hearing children, adolescents and their families, which honed my passion for facilitating and supporting the mental wellness of deaf individuals," she said. "I have always enjoyed learning new things and this field gave me the opportunity to be lifelong learner."

Melby is one of four mental health therapists for Therapeutic Services Agency's Deaf and Hard of Hearing Mental Health Program. Through grant support from Minnesota Department of Human Services, TSA therapists have been providing culturally affirmative mental health services to deaf, deaf-blind, and hard of hearing children and adolescents across northern Minnesota for the past four years.

"I am working with these children, adolescents and their families bringing enthusiasm, professional knowledge, cultural understanding and experience and ASL to facilitate meaningful culturally affirming mental health therapy and support to assist in navigating through their challenges," Melby said.

For more information, contact Therapeutic Services Agency, Inc. at 320-629-7600 or visit www.hoperealized.com.

Enjoy a Mediterranean-inspired, healthy dinner

The Mediterranean diet has long been touted as a healthy way to eat. The Mediterranean diet is inspired by the eating trends of people from Italy and Greece in the 1960s. Principal aspects include high consumption of legumes, olive oil, fruits, and vegetables. When coupled with other healthy eating habits like selecting natural, unrefined ingredients, such as nutrient-rich honey instead of refined sugar, people can transform how they eat without sacrificing flavor.

This recipe for delicious "Grilled Lamb Chops With Honey Figs" from "Cooking Light Fresh Food Superfast" (Oxmoor House) by The Cooking Light Editors combines ingredients that would customarily be found in a Mediterranean Diet with a sweet honey drizzle. Figs can cook quickly, so choose firm, ripe ones that can withstand the heat of the grill.

GRILLED LAMB CHOPS WITH HONEY FIGS

Makes 4 servings

Ingredients:
- 8 4-ounce lean lamb loin chops, trimmed
- 1/4 teaspoon salt
- 1/4 teaspoon freshly ground black pepper
- 2 tablespoons honey
- 1 tablespoon olive oil
- 1 tablespoon chopped fresh rosemary
- 8 fresh figs, halved
- Cooking spray
- Rosemary sprigs (optional)

Directions

Preheat the grill.

Sprinkle the lamb evenly with salt and pepper. Combine the honey, oil and rosemary; brush half of the honey mixture over the lamb chops. Brush the remaining honey mixture over the figs.

Place the lamb and figs on a grill rack coated with cooking spray. Grill the lamb for 4 to 5 minutes on each side or until desired degree of doneness. Grill the figs 1 minute on each side or until lightly browned and tender. Garnish with rosemary sprigs, if desired. Serve with rice, roasted potatoes or couscous.

Tough defensive team to test Mustangs

BY JAYSON PAUTZKE
NEWS@MORAMINN.COM

After dominating the Pine City Dragons last week, the Mora Mustangs varsity football team next faces Aitkin — known for being one of the toughest defensive teams in the district.

MICHELLE PAUTZKE | TIMES

Senior Mustang No. 8 Nick Nelson attempts to break through the Dragons' line of defense.

MORA VS. PINE CITY

A long-awaited home opener finally arrived for the Mustangs. The game had a slightly different feel with a much smaller crowd, no concessions, marked spots on the sidelines where players were supposed to stand and coaches wearing masks on the sidelines.

One thing that remained consistent from the past few years was a powerful Mustangs running game. Mora used that running game to win their home opener over Pine City 36-6.

Mora let it be known immediately that it was going to be their night. Mora received the opening kickoff and immediately marched 64 yards for the games first touchdown. Nick Nelson provided a 39-yard run on the drive. Ben Wright finished it off with a 5-yard touchdown run.

Nick Nelson ran in the two point conversion and Mora led 8-0. It only took two minutes and 33 seconds for the Mustangs to strike. Head coach Troy Erickson said of the start, "We picked up a couple of big third down conversions to sustain the drive. We did a good job all night picking up eight of 12 third down conversions."

The Mustangs defense also showed right away it would be a tough night for the Dragons to score points. Pine City's first two possessions only garnered them one first down and two punts. "The offense did a great job on third downs, so did the defense. Pine City only converted one third down and one fourth down for the whole game,",said Coach Erickson.

Mora's offense would complement the defense by taking advantage of good field position provided to extend their lead. During the Mustangs second drive they marched 53 yards. Nick Nelson finished the drive off with a three yard touchdown run. Quarterback Caleb Anderson hit Nelson for the two point conversion, and it was 16-0 at the end of the first quarter.

The offense continued its first half dominance on its third possession. This time the passing game got in on the action. Caleb Anderson hit Ben Wright for a 10-yard touchdown strike. This time the two point conversion failed, and it was 22-0.

The defense continued its sharp play in the first half. Pine City put together its best drive of the half picking up three first downs. The defense rose up and forced a fumble. With the recovery on their own 10-yard line the offense would have to go a long way with not too much time left in the half.

Coach Erickson said, "We called a blitz on the play and they ran right into it. We made a great play to force the fumble."

The offense picked up the tempo and marched right down the field. Six first downs were picked up on the drive culminating with a 1-yard touchdown run by Cody Haggberg. The two point conversion failed, and Mora took a commanding 28-0 lead into halftime.

In the third quarter both team's defenses-controlled play. Both offenses fumbled away the ball on one possession and turned the ball over on downs in their other possession of the quarter. Coach Erickson said, "We didn't play very cleanly in the second half. We know we can play better than that and we'll have to."

Pine City got on the board in the fourth quarter, but Mora answered immediately. Caleb Anderson scored from one yard out. Ben Wright ran in the two point conversion for the final score of 36-6.

Mora's ground game amassed 373 yards. Individually:

- Ben Wright 26 carries 213 yards one touchdown
- Nick Nelson 12 carries 84 yards one touchdown
- Kobe Swanson eight carries 47 yards
- Cody Haggberg seven carries 22 yards one touchdown.
- Quarterback Caleb Anderson completed three of seven passes for 34 yards and one touchdown.
- Ben Wright caught two of those passes for 22 yards and a touchdown.
- Andrew Rasmusson hauled in the other completion for 12 yards.

With the win Mora improved to 2-0 on the season outscoring their opponents 87-6.

UP NEXT: AITKIN

Mora will get tested in their next game when they host Aitkin at 6:00 p.m. on Friday, Oct. 23.

Aitkin is also 2-0 on the season and is coming off a 30-6 win over Crosby-Ironton. Last season Aitkin got a 28- 20 win over Mora so the Mustangs will be looking to return the favor.

On their upcoming opponent Coach Erickson said, "Aitkin typically is the most physical and toughest defensive team we play in our district. It will be a great test for our team."

Lions move to 2-0 in thrashing of Panthers

BY JAYSON PAUTZKE
NEWS@MORAMINN.COM

The Lions improved to 2-0 on the young season with an impressive 40-6 victory over Onamia. Ogilvie dominated both sides of the ball. The defense allowed just 71 yards of offense to the Panthers. The Lion's offense racked up 357 yards of total offense. Beau Burk scored four touchdowns in the game bringing his season total to seven in just two games.

Beau Burk catches the first touchdown of the game in the Lions defeat of the Onamia Panthers.

FROM THE COACH

"The defense played super and caused lots of trouble intheir backfield. We got off to a fast start and had several long scoring plays as the game went on. We need to have fewer negative plays and penalties as the year goes on if we are to be successful. We were able to play lots of players to reward them for the great job they do on scout teams during practice and they also gain game experience for the future. A road game at Isle so we will again need to get off to a good start and keep playing hard for a full game."

UP NEXT

Ogilvie will travel to Isle Friday night for a 7:00 p.m. tilt against the Huskies. Isle enters the game with an 0-2 record and is coming off a 69-20 loss to Carlton/Wrenshall.

Hunters take care when transporting firearms

Q: Can I transport a loaded rifle or shotgun in a vehicle if I have a permit to carry? What are the rules if I am actively hunting?

Answer: The permit to carry law applies only to handguns, so the answer is no with some exceptions.

Minnesota law says that a person may not transport a firearm in a motor vehicle unless the firearm is:

Ask A Trooper
Neil Dickenson

(1) unloaded and in a gun case expressly made to contain a firearm, and the case fully encloses the firearm by being zipped, snapped, buckled, tied or otherwise fastened and without any portion of the firearm exposed;

(2) unloaded and in the closed trunk of a motor vehicle; or

(3) a handgun carried in compliance with sections 624.714 and 624.715 Subd. 3.

Exceptions; hunting and shooting ranges- a person may transport an unloaded, uncased firearm, excluding a pistol, in a motor vehicle while at a shooting range, lawfully hunting on private or public land; or traveling to or from a site the person intends to hunt lawfully that day or has hunted lawfully that day, unless:

(1) within Anoka, Hennepin, or Ramsey County;

(2) within the boundaries of a home rule charter or statutory city with a population of 2,500 or more;

(3) on school grounds

Strong deer populations good news for hunters

BY MN DNR
MNDNR.GOV

Nearly half a million firearms deer hunters are preparing for the firearms deer season that opens Saturday, Nov. 7, and offers opportunity to spend time outdoors with friends and family, find adventure outdoors and put venison in the freezer.

Hunters help keep deer populations in line with population goals across the state. Minnesota Department of Natural Resources' wildlife managers report favorable weather so far this year and good opportunities to harvest deer in most areas.

Hunters need to know the boundaries of the deer permit areas and any chronic wasting disease regulations that apply where they hunt. Detailed information about each permit area and CWD area can be found on the DNR's interactive deer map. Additional information about CWD areas, carcass movement restrictions and

FIELD REPORTS: What Minnesota deer hunters can expect across the state

FROM PAGE 12

voluntary sampling can be found at mndnr.gov/cwd.

NORTHWEST DEER REPORT

Deer hunters in northwestern Minnesota will have similar regulations as the 2019 seasons and deer populations are strong in most areas. In many permit areas, hunters are allowed to harvest more than one deer. Hunters in this region should check their deer permit area boundaries, as several have shifted since last year.

Water levels and whether ground is wet or dry can affect how hunters access hunting locations. Weather patterns in the region were very different from north to south this year. In the far northwest, there was heavy summer rain and strong winds. In contrast, areas in the southern part of the region have not received as much rain and are drier.

NORTHEAST DEER REPORT

Permit areas in the northern portions of the northeast region, have had long, severe winters for the last eight years. In areas that had significant snow depth last winter — which has a more profound impact on deer survival than temperatures — more deer died and fewer fawns were born in the spring. This has required more lottery management zones this season than in past years.

In the southern portion of the region, where winter was somewhat milder, hunters will be allowed to harvest more deer in an effort to stabilize and in some cases further reduce local deer populations to goal levels. Where deer had access to good habitat, field observations show normal fawn production.

Hunters have good potential for success by focusing on prime food sources for deer such as mowed hayfields, forest areas that are growing back after being cut, and agriculture crops.

CENTRAL DEER REPORT

Strong early archery harvest and positive reports from hunters and DNR field staff point to what could be another outstanding year of deer hunting across central and southeastern Minnesota. Robust deer populations across the region have resulted in many permit areas with regulations allowing hunters to harvest more than one deer.

Dry conditions during the late summer and early fall mean crops are being harvested without delay ahead of the firearms opener. Average-to-high acorn production will keep deer in the oak woods this fall and provide hunters with another strategy for scouting and selecting hunting locations. Excellent summer habitat conditions provided plentiful forage and cover.

SOUTHERN DEER REPORT

Weather conditions for deer and other farmland wildlife were favorable in 2020. Winter conditions were milder, with above-average temperatures and shallower snowpack compared with 2019, with no spring snow storms.

Habitat conditions reflected the favorable weather. River floodplains, which offer some of the best deer habitat and deer hunting in the southern region, finally had a year to recover from persistent flooding over the last few years. As such, these floodplain habitats are once again offering excellent cover for deer, which bodes well for deer hunters.

Upland grassland areas and wetland basins are in good shape as well, but hunters will encounter lower water levels or completely dry wetland basins especially in the extreme southwest.

As always, the largest wildcard in this landscape in determining overall deer harvest is the amount of standing crop remaining in the field during firearms deer season. The crop harvest is in full swing right now and ahead of the long-term average — that's another positive sign for hunters looking forward to deer season.

A map of DNR's administrative regions is available on the DNR website.

OBITUARIES

Vivian D. Barker

Dec. 13, 1928 — Oct. 12, 2020

Vivian Dorthea Barker (Kluge) died peacefully in her sleep in the early morning of Monday, Oct. 12, 2020 with her sons, Robert and Randy, by her side at CentraCare long term care in Monticello. She was 91 years old.

She was born on Thursday, Dec. 13, 1928 to Evangeline Kluge (Kresal) and Alfred Kluge at the homestead in Livonia Township. Her official birthdate was Friday Dec. 14, 1928 because her father Alfred Kluge could not make it into town until the following day because of a snow storm. It was always a story she loved to share, and wasn't officially cleared up until she collected social security in her mid 60's.

Vivian had a couple jobs in her younger life. One was at Sparky's Café in Elk River and the other at Federal Cartridge in Anoka. She was a housewife for most of her life on the farm on Twin Lakes. She and her family were part of the congregation at St. John's Lutheran Church in Nowthen. She loved helping out with the ladies aid and being part of 4-H, herself along with her children in the later days. She had a big love for horses, her guitar and gardening. They moved to a small house in Mora 21 years ago and then to the Dala House senior center in Mora as they got older.

She was preceded in death by her husband, Ralph; brother, Forrest; sister, Gloria Larsen; and daughter-in-law Denise Barker (Westphal).

She is survived by her children, Robert, Beverly Zahler, and Randy; son-in-law, Bryan Zahler; daughter-in-law, Lori Barker (Fern); and grandsons, Joshua Barker and Matthew Barker.

The family will be having a graveside service on Ralph and Vivian's 69th wedding anniversary Monday, June 21, 2021 at the Livonia Cemetery. Just as they enjoyed their days together in life, both Ralph and Vivian will be buried on that day.

Sharene L. Smith

Sharene Lynn Smith, of Ogilvie, died unexpectedly on Saturday, Oct. 3, 2020 at the U of M Hospital in Minneapolis. She was 36 years old.

She was born in Robbinsdale to Jody Neros and Curtis Dahlberg. She attended Linwood Elementary School and then attended high school at Cambridge/Isanti. She graduated in 2002.

She started dating the love of her life, David Smith in 2003. They were united in marriage on Sept. 17, 2005. The couple made their home in Isanti until 2008. They had two beautiful children Bradley and Hailey. In 2008 they moved to Mora. They made Mora their home for over eight years. After her husband passed away in 2016, she and the kids moved to Ogilvie.

She enjoyed playing bingo and cards. Over the last few years she also made a hobby of playing darts where she met many new friends. Most of all, she loved spending time with her family and friends. Bradley and Hailey were the light of her life. Her laugh and sassy attitude will certainly be missed.

She was preceded in death by her husband, David Smith; grandparents, Sherry Neros, Carol Dahlberg Anderson, Carl Dahlberg and Sherwood Anderson.

She is survived by her children Bradley and Hailey Smith; parents, Jody Neros and Curtis (Patty) Dahlberg; siblings, Candice (Ben) Gordon, Jake (Megan) Gordon, Bryan (Megan) Dahlberg, Travis Sutton, Jennifer (Josh) Dahlberg, Kelly (Adam) Dahlberg; grandfather, Craig Neros; many other family and friends.

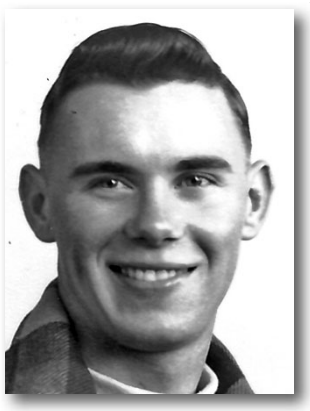
A graveside service and inurnment will be held at 1:00 p.m. on Saturday, Oct. 24, 2020 at the Graceland Cemetery in Ogilvie with a gathering of family and friends to follow at the Ogilvie Community Center. In lieu of flowers, memorials are preferred to the family. Arrangements are by the Akkerman Ingebrand Funeral Home of Mora. Condolences may be posted online at www.aifuneralhome.com.

William P. Karg

March 11, 1932 — Oct. 11, 2020

Willard Peter Karg died and went home to be with the Lord on Sunday, Oct. 11, 2020 at Mille Lacs Health System in Onamia. He was 88 years old.

He was born in Glencoe, on March 11, 1932. He worked on his family farm from a young age until he was drafted. He served as a sharpshooter in the U.S. Army during the Korean War from 1956 to 1958, receiving a Medal of Good Conduct for his service. While working construction on highway 27, he stopped at Lund's Cafe, where he met MaryAnn, the love of his life. They spent 58 memorable years in Isle, where they raised their five children, and where he was a member of the local VFW. He was a heavy equipment operator and truck driver for most of his life, and he owned and operated Karg & Sons Timber Products.



A genuine jokester, hewas always looking for a laugh. His sense of humor and infectious laughter will be dearly missed. He was a good neighbor to all, and will be remembered for his compassion, friendliness and generosity. He never denied the opportunity to take his golf cart out for a ride on the town to visit with friends and family. He loved to mow lawns and snow blow driveways for people, and he loved his tractor, Herbie, which won multiple trophies in the Annual Isle Days Tractor Shows. A familiar presence in the community, he will be missed by all who had the pleasure of knowing him.

He was preceded in death by his parents, Peter and Ella Karg; step-parents, Eddie and Lena Swanson; sisters and brother, Karen Koll, Donna Schultz, and David Karg; and great-granddaughter, Brooklynn Tramm.

He is survived by his wife, MaryAnn Karg; children, Pamela (Ross) Tramm, Roland (Leslie) Karg, Michael (Carrie) Karg, Kathleen (Travis) Young and Steven (Gretchen) Karg; 14 grandchildren; 12 great-grandchildren (and counting); sisters, Shirley (Willard) Johnson, Bonnie Stugelmeyer; and sister-in-law, Hazel Karg.

Visitation was Saturday, Oct. 17, 2020 at the Sacred Heart Catholic Church in Wahkon. Military Honors were provided by the Isle Honor Guard.

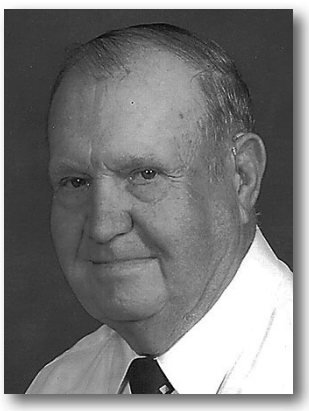
Arrangements by Mille Lacs Funeral and Cremation Services.

Anthony J. Kunst

Dec. 17, 1932 — Oct. 11, 2020

Anthony John Kunst of Milaca, formerly of Ogilvie, died Sunday, Oct. 11, 2020 at Milaca Elim Home. He was 87 years old.

He was born Dec. 17, 1932 to Frank and Ida (Santema) Kunst. He was united in marriage to Mary Jansen on Aug. 21, 1953, and they were blessed with seven children. He loved working his farm, listening to Johnny Cash music, hunting and spoiling all the kids with candy. Some of his favorite things were playing cards and shaking dice for quarters.



He was preceded in death by his wife, Mary; sons, Mike, Dennis and infant son, Richard; sisters, Margaret Bauer and Mary Kreger; and brothers, Bill, Henry, Frank, Bob and Bernard.

He is survived by his children, Barb (Gordy) Ranta, Kathy (George) Hampey, Diane (Bill) Garceau and Doug (Denise) Kunst; 17 grandchildren; many great-grandchildren; daughter-in-law, Laurie Kunst; Dennis's girlfriend, Cheryl Bos; also by many nieces, nephews, other relatives and friends.

Mass of Christian Burial was held Saturday, Oct. 17, 2020 at St. Kathryn's Catholic Church in Ogilvie. Burial followed at the parish cemetery. Arr. Peterson-Johnson Funeral Home - Milaca.

Audrey A. Oglesbee

Feb. 15, 1936 — Oct. 6, 2020

Audrey Ann Oglesbee of Mora died on Tuesday, Oct. 6, 2020 at St. Clare Living Community. She was 84 years old.

She was born on Feb. 15, 1936 to Clinton and Lillian (Knobbs) Oatman in St. Cloud. She was the oldest of three. She lived in Becker until the age of 5 and then moved to Faribault. She graduated high school in 1953 in Faribault then went to college at St. Cloud State where she graduated in 1956 with a degree in education. She taught one year in Becker. She was united in marriage to Robert Shields in August of 1956 and moved to Columbia Heights. There she taught for another two years. Shortly after that they bought their first house in Brooklyn Park, and she became a stay at home mom raising three children.

She was very involved with the United Methodist Church in Brooklyn Park where she was in the choir, on the leadership board, president of the Women's Society and Couples Club. She loved hosting parties, enjoyed baking, reading and sitting in the sun and water. Later in life she enjoyed politics and good conversations. She loved people and had a way of always making you laugh. She held a gift of always laughing at herself and truly took with grace being the butt of many jokes. We are still laughing, thanks Mom. She loved her family and often said how thankful and blessed she has been.

Life eventually brought a new beginning, and she was married to Dewayne Oglesbee in July of 1971. They moved to North Minneapolis where they both were involved with Contact Twin Cities - a world-wide help/crises hotline. She worked at Dayton's Food Court in Minneapolis and eventually became a receptionist at the largest hair salon in downtown Minneapolis. She and her husband both became land realtors where some of the funniest stories began.

In 1980 they built their dream log cabin home in the woods in Hinckley. By hand they put in blood, sweat and tears to make this dream a reality. The finished product was simply amazing and beautiful.Her husband's illness brought them to Mora in 1997 where they were one of the first occupants in Park Forest Estates. She was manager and receptionist there for many years until she retired at the age of 75. She loved the people there and enjoyed making special meals and made every event a real celebration.

She was very much loved by all and will be deeply missed. She was a steadfast Christian and now will be before Him in all His glory.

She was preceded in death by her husband, Dewayne Oglesbee; her parents, Clinton and Lillian Oatman; brother, Larry Oatman; and stepdaughter Sondra Oglesbee.

She is survived by her children, Steven (Teresa) Shields, Lisa (Harlan) Gilbertson, Jack (Carmen) Shields; grandchildren, Angela (Jesse) Doughty, Tara Radermacher, Nolan (Kelsey Graves) Gilbertson, Jared (Jennifer) Shields, Joanna (Ryley) Richards, Kristine (Derek) Lutz, Jacob (Mary) Fay-Shields, Stephanie (Trey McReynolds) Shields, Carter and Danica Shoquist; Stepchildren, Clay (Mary Lynn) Oglesbee, Jeffrey Oglesbee, Brent (Holly) Oglesbee; Stepgrandchildren, Colin (Megan) Oglesbee, Nathan Oglesbee; great-grandchildren, Natalie, Victoria, Lillian, Levi, Sebastian, Piper, Chase, London and Vaeda; and stepgreat-grandchildren, Cormac Oglesbee and Ada Oglesbee; sister, Carol Collver; many nieces, nephews and other family and friends who loved her.

A private celebration of life is being planned. Honorary casket bearers are Audrey's grandchildren, Angela Doughty, Tara Radermacher, Nolan Gilbertson, Jared Shields, Joanna Richards, Kristine Lutz, Jacob Fay-Shields, Stephanie Shields, Carter Shoquist, Danica Shoquist, Colin Oglesbee and Nathan Oglesbee.

Arrangements by Dresser-Methven Funeral and Cremation Services.

OBITUARIES

Lisa M. Cramsie

March 4, 1973 — Oct. 15, 2020

Lisa Marie Cramsie, of Mora, died peacefully at her home on Thursday, Oct. 15, 2020. She was 47 years old.

She was born on March 4, 1973 in Mora, to Jon and Jeanette (Carlson) Cramsie. She attended and graduated from Ogilvie Public Schools. After high school, she attended Central Lakes College in Brainerd before moving back to make Mora her home.

After college, she went on to work at Tobie's and Hardee's and also volunteered her spare time at Eastwood Senior Living. She loved spending time with family and friends, especially her nieces and nephews. Her favorite thing to do was play bingo, but she also enjoyed playing cards, dice and board games. Another thing that made her happy was going to her uncle and aunt's cabin and spending time on the lake.

She was an amazing person with a kind heart. She had this incredible ability to put a smile on someone's face without trying. She was loved by many and will be truly missed.

She was preceded in death by her grandparents, Joe and Joyce Cramsie and Clarence and Wilhelmina Carlson.

She is survived by her parents, Jon and Jeanette Cramsie; brother, Pat (Amy) Cramsie; sisters, Kari (Steven) Brasch and Amanda (Brent) Ostman; and many nieces, nephews, aunts, uncles, other family members and friends.

A memorial service was held on Wednesday, Oct. 21, 2020 at the Akkerman Ingebrand Funeral Home with Pastor Bob DeYoung officiating. Condolences may be posted at www.aifuneralhome.com.

Eugene F. Anderson

March 28, 1923 — Oct. 13, 2020

Eugene Fredrick Anderson, of Milaca formerly of Ogilvie, died on Tuesday, Oct. 13, 2020 at the Milaca Elim Senior Care Facility. He was 97 years old.

The son of Per and Mathilda (Hallberg) Anderson, he was born March 28, 1923, at home in Borgholm Township, Mille Lacs County, the youngest of six children. After graduation from Ogilvie High School, he farmed with his parents until their death. His brother Lowell, upon returning from the European Theater of Operations, joined him and helped with farming until his death. He continued farming until his retirement.

He enjoyed fishing and hunting. An avid photographer, he traveled throughout Minnesota and Wisconsin photographing wildflowers, wildlife and scenic vistas. He was a skilled woodworker, making many pieces of furniture. After selling the farm, he lived in Centennial Terrace in Milaca until he moved into the Elim Senior Care facility where he passed away.

He was preceded in death by his parents, Per and Mathilda Anderson; three brothers, Vernon, Lowell, and Darwin; two sisters, Hazel Rogers and Mildred Hass; nieces, nephews, other relatives and friends.

He is survived by nieces and nephews, Roger Anderson of Des Moines, Iowa; Carol (Hass) Smith of Denver, Colorado, Wayne Hass of Ogilvie, Marie Hass of Shoreview, and Lowell Rogers of Braham.

Graveside services were held Monday, Oct. 19, 2020 at Borgholm Cemetery near Bock with Pastor Dale Clifton officiating. Arr. Peterson-Johnson Funeral Home - Milaca

Donna J. Stromberg

March 16, 1937 — Oct. 13, 2020

Donna Jane Stromberg of Mora, died on Tuesday, Oct. 13, 2020 at Elderwood Senior Living in Hinckley. She was 83 years old.

She was born on March 16, 1937 in Braham, to Carl T. and Elise (Soderstrom) Nelson. She was the third of seven children. She attended the Day country school until the fourth grade when the family moved to their farm in Ogilvie. She graduated from Ogilvie High School in May of 1956.

On July 28, 1956, she was united in marriage to Marvin Stromberg at the Methodist Church in Mora. To this union, three children were born. The couple made their home just south of Mora to raise their family. Once the children were in school, she went back to work, first at the Holiday Grocery Store and later at Mora Drug/Coborns where she worked as a pharmacy tech until she retired.

She was a member of the First Presbyterian Church in Mora where she taught Sunday school for many years. She loved spending time with her family and friends. She was always ready and willing to help others whenever needed. She always enjoyed working out in her flower gardens and keeping her yard looking beautiful. In later years, she and her husband enjoyed camping in their motor home. She loved music and even as her memory faded with dementia, she still remembered all the words to her favorite songs.

She was a wonderful wife, mother, grandmother, great-grandmother and friend. She will be truly missed by all who knew and loved her.

She was preceded in death by her parents; husband, Marvin; brother, Carl T. (Jenny) Nelson Jr.; sister-in-law, Marlene Nelson; and brothers-in-law, John Beeuwsaert and Joe Boerma.

She is survived by her children, Gary (Pam) of Isanti, Lori (Terry) Haavisto of Hinckley and Craig of Mora; grandchildren, Alyssa, Jessica (Mark), Nicholas (Erica), Matthew, Jacob, Courtney (Brock), Reed (Carrie) and Brandon; great-grandchildren, Blake, Owen, Olivia, Grayson, Haylee, Braylen, Kaylee, Christen and Carsen; brothers, Clayton (Char) Nelson and Donald Nelson; sisters, Judy (Marty) DeBoer, Janice (Jack) Gallmeier and Marlene Beeuwsaert; plus nieces, nephews, other relatives and friends.

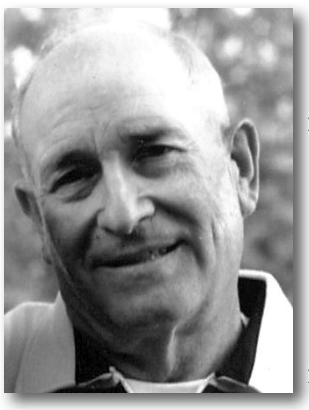
Dennis L. Lamprecht

July 13, 1934 — Oct. 13, 2020

Dennis Leo Lamprecht, formerly of Ogilvie, died on Tuesday, Oct. 13, 2020 at Elk River Senior Living. He was 86 years old.

He was born July 13, 1934 in Milaca, to Walter and Anna (Hill) Lamprecht. When he was 1 year old, the family moved to a farm in Kanabec County near Ogilvie where he resided his entire lifetime. He attended country school through the eighth grade and graduated from Ogilvie High School in 1952. He attended St. Cloud State College and later returned back home to own and operate the farm he was raised on until his retirement.



He was a school bus driver for the Ogilvie Schools, from which he retired in 1973. From 1969 through 1981 he served on the board of directors of L.V.O. Corp. of Tulsa, Oklahoma; also serving on the board of United Cable Television Corporation of Tulsa until 1980 when the company was sold. In 1980 he was one of the founders of Tri County Broadcasting Corporation in which he served as a director and vice president. In 1971 he was elected director of the American Dairy Association of Minnesota and served in that capacity until 1981. From 1972-1981 he was on the board of directors of the Minnesota Agri-Growth Council.

In 1988 he was united in marriage to Jeanette Kleven at Calvary Lutheran Church in Mora. They went on to own and operate several businesses in Mora and surrounding areas. In 2005 they retired to their farm and home in Southfork Township and pursued their lifelong dream of raising buffalo.

He was baptized and confirmed in the Lutheran faith and was member of Calvary Lutheran Church of Mora.

He was preceded in death by his parents; wife, Jeanette "Jan;" brother, Larry; and sister, Elaine.

He is survived by his sisters-in-law, Joan Lamprecht of Champlin and Janice Kleven of Mora; brother-in-law, Roger Gillette of Minneapolis; plus many other relatives and friends.

A memorial service will be held at 11:00 a.m. on Friday, Oct. 23, 2020 at the Akkerman Ingebrand Funeral Home in Mora with Rev. Dean Oelfke officiating. Inurnment will be in the Wendell Hill Cemetery in rural Bock. Memorials are preferred to the Tri County Humane Society (735 8th Street NE- St. Cloud, MN 56304). Arrangements are by the Akkerman Ingebrand Funeral Home of Mora. Condolences may be posted at www.aifuneralhome.com.

STATE OF MINNESOTA
DISTRICT COURT
COUNTY OF KANABEC
TENTH JUDICIAL DISTRICT

A Public Petition Hearing on the following Petition to Vacate is scheduled for November 9, 2020 at 1:30 p.m. via virtual Zoom technology before Judge Stoney L. Hiljus. Any interested person should contact Kanabec County Court Administration at 320-679-6400 for information on attending the public hearing.

Case Type: Civil
Other/Miscellaneous
Court File No. 33-CV-20-143
PETITION TO VACATE
Kirsten Bruley,
Petitioner,
vs.

The County of Kanabec; and all other persons unknown claiming any right, title, estate, interest, or lien in the real estate described in the Petition herein,

Respondents.

Petitioner, for her Petition to Vacate, states and alleges the following.

1. **Petitioner**. Petitioner is Kirsten Bruley, a married person. She is the owner of real property located in Kanabec County, Minnesota, having a street address of 2086 Point Trail, Mora, MN 55051-6536, bearing parcel identification number 10.02860.00, and having the following legal description: Lot One (1), Sorenson's Addition in Section Two (2), Township Forty (40), Range Twenty-four 24, Kanabec County, Minnesota (herein, "Lot 1").

2. **Vesting Deed**. Petitioner acquired Lot 1 by a vesting deed dated August 17, 2018, recorded in the Office of the Kanabec County Recorder on August 23, 2018, as Document No. 263891.

3. **Sorenson's Plat**. Lot 1 is situated in the plat of Sorenson's Addition to Kanabec County(herein, the "Plat," attached as Exhibit A). The Plat was dedicated on June 10, 1958 by P.C. Sorenson and Marie Leona Sorenson, married to each other. It was approved and accepted by the Kanabec County Board of Commissioners on June 10, 1958. It thereafter was recorded in the Office of the Kanabec County Register on June 21, 1958, as Document No. 32259.

4. **Purpose**. This Petition seeks the vacation of an unused and unimproved parcel of land lying immediately easterly of and adjacent to Lot 1. It is designated on the Plat as a "Public Road" (herein, the Adjacent Parcel.")

5. **The Adjacent Parcel**. The Adjacent Parcel is the northeasterly parcel in the Plat, as depicted on both Exhibit A and the Certificate of Survey attached hereto as Exhibit B. It is approximately 33 feet wide by 145 feet, more or less, and bounded on the north by the shoreline of Knife Lake. It is accessible only by a gravel public road known as Point Trail, and not by any other public access. No land within the Plat lies easterly of the Adjacent Lot. The legal description proposed by Petitioner's Licensed Land Surveyor is the following:

That part of the 33-foot-wide Public Road as shown on the recorded plat of Sorenson's Addition, Kanabec County, Minnesota, described as follows:

Beginning at the southeast corner of Lot 1 of said plat; thence east along the easterly extension of the south line of said Lot 1 a distance of 33 feet to the east line of said plat; thence north along the east line of said plat to the shoreline of Knife Lake; thence west along said shoreline 33 feet to the east line of said Lot 1; thence south along the east line of said Lot 1 to the point of beginning.

6. **Ownership**. The Plat was created pursuant to Chapter 505 of Minnesota Statues 1957. By virtue of acceptance of the Plat by the Kanabec County Board of Commissioners, the then-current version of Minn. Stat. 505.01 reading as follows vested ownership of the Adjacent Lot in the County of Kanabec.

Plats of land may be made in accordance with the provisions of this chapter, and, when so made and recorded, every donation to the public or any person or corporation noted thereon shall operate to convey the fee of all land so donated for the uses and purposes named or intended, with the same effect, upon the donor and his heirs, and in favor of the donee, as though such land were conveyed by warranty deed. Land donated for any public use in any municipality shall be held in the corporate name in trust for the purposes set forth or intended.

7. **Respondent County**. Kanabec County is a body corporate and politic, having its principal offices at 18 North Vine Street, Mora, MN, 55051. It is joined as Respondent herein because of its ownership of the Adjacent Parcel, and because its administrative offices have jurisdiction over legal descriptions, recorded property surveys, and the assignment of parcel identification numbers.

8. **No Public Use**. At no time since the dedication of the Plat has Kanabec County established the Adjacent Parcel as a public road. Nor at any time since dedication of the Plat has the Adjacent Parcel been maintained by the County or used for any public use. The Adjacent Parcel is, and has been since dedication of the Plat, useless for the purpose of a public road, and neither serves, nor is capable of serving, any valuable purpose.

9. **Petitioner's Interest**. When dedicating the Plat, the original platters, P.C. Sorenson and Leona Marie Sorenson, are presumed as a matter of law to have intended to part with title to the Adjacent Parcel in favor of the owner of abutting Lot 1. Thus, upon vacation, title to the Adjacent Parcel shall pass to Petitioner, and Petitioner only.

10. **Chain of Title**. Petitioner and her predecessors in interest with respect to Lot 1 are direct successors in interest to P.C. Sorenson and Marie Leona Sorenson, the original platters of the Plat.

11. **State of Minnesota**. Upon information and belief, the Adjacent Parcel may abut the public water known as Knife Lake. Service of this Petition pursuant to Minn. Stat. 505.14 is made upon the State of Minnesota, Department of Natural Resources, represented herein by Attorney General Keith Ellison, Bremer Tower Suite 1100, 445 Minnesota Street, St. Paul, MN 55101, for purposes of Minn. Stat. 505.14.

12. **Taxes**. All taxes assessed against Lot 1 have been paid by Petitioner, as evidenced by Receipt #281740 dated May 5, 2020, issued by the office of the Kanabec County Auditor – Treasurer.

13. **Proposed Vacation**. No persons owning or occupying land within or adjacent to the Adjacent Parcel are affected by the proposed vacation.

14. **Unknown Persons**. On information and belief, there are no other unknown persons claiming any right, title, estate, interest in, or lien upon any portion of the Adjacent Parcel.

15. **Public Notice**. Pursuant to Minn. Stat. 505.14, publication of this Petition and posted notice thereof on the Adjacent Parcel shall constitute public notice of the contents herein.

16. **Monetary Damages**. Petitioner makes no personal claim against any Respondent for any monetary damages. No monetary damages are payable by Petitioner as a result of vacation of the Adjacent Parcel.

WHEREFORE Petitioner requests the following relief.

1. Vacation of the Adjacent Parcel in favor of Petitioner.

2. Determining, adjudging, and decreeing that no persons known or unknown have any right, title, interest, estate, or lien in or upon the Adjacent Parcel.

3. For judgment declaring that Petitioner is the owner in fee simple of the Adjacent Parcel.

4. For judgment quieting title to the Adjacent Parcel in favor of Petitioner.

5. For judgment ordering that Respondent Kanabec County take all administrative actions necessary to evidence that Petitioner is the owner in fee of the Adjacent Parcel, including but not limited to assignment of a parcel identification number and recording the new legal description of the Adjacent Parcel.

6. For such other and further relief that the Court deems just and equitable.

125 YEARS AGO (1895)

There is an unknown disease prevailing among the cat tribe in this vicinity several dieing from its effects.

Samuel Lowenstein the well-known cigar dealer came in town last Friday. He found time to call and pay his respects to the Times man.

The Swedish mission society begin a camp meeting today at the Fish Lake church. The meeting will continue through Saturday and Sunday. These meetings usually are largely attended and result in stirring up a stronger religious sentiment.

Saturday a team belonging to A. Sjolund of Fish Lake broke loose and started on a run away down Union St. They ran up against the lamp post in front of Hans Peterson's store and broke it down but were stopped before further damage was done excepting the breaking out of the wagon pole.

The Great Northern hotel filled the last page of its register Sunday night and started in with a new one Monday morning. Ten thousand names were enrolled in four days less than a year. The Great Northern is a house that would do credit to a town several times larger than Mora, it being furnished with all the accommodations of a first class hotel.

"How to Make Scandal:" Take one grain of falsehood, a handful of runabout, the same quantity of limber tongue, six sprigs of back-bite, and one spoonful of "don't you tell." Add a few drops of envy and a little discontent and jealousy and strain it through a bag of misconstruction, cork it in a meddlesome bottle and shake well before taken.

100 YEARS AGO (1920)

The Republican meeting held at the Mora Opera house last Saturday at 1 o'clock was one of the largest and most successful political gatherings held in Kanabec county. People were present from all parts of the county. The large opera house was packed to its limit capacity and hundreds were unable to gain admission. Music was furnished for the occasion by the Mora Booster Band.

J. A. O. Preus received a big ovation when he stepped before the big audience after having been introduced by State Treasurer Henry Rines, one of his colleagues upon the state ticket. He spoke over an hour, his remarks making a profound impression upon his audience. This was Mr. Preus' first opportunity to make an address in the county. He has exceptional ability as a public speaker and there is no question but that he gained many votes through his speech.

The several Republican Women's Clubs of this county were fortunate in having Mrs. Martha Dahl Laws speak to them in this county last week. She spoke at Ogilvie Thursday evening, Grasston Friday afternoon and Mora, where she had an appreciative audience of about 400, Friday evening. The only complaint made everywhere was that she did not talk long enough. Everybody said they would have liked to listen for an hour longer.

A woman's hospital guild was organized at a meeting held in the courthouse Monday afternoon, October 22. Mrs. Lane, superintendent of the new hospital, gave an outline of the duties of this organization. There will be no nursing expected of the members, but they will do whatever is necessary in the line of making hospital dressings, etc., whenever the hospital has any special need.

The guild will meet the first Thursday evening of every month from 7 to 9 o'clock in the basement of the hospital, at which time surgical dressings will be made when necessary. A lunch of coffee and one other thing will be served at the end of the meeting by several hostesses from the members, at a cost of 15c. There will be no dues. Membership will be open at all times to anyone who wishes to join.

Mora smashed over in the fourth quarter Friday, October 12, to break the tie and defeat Elk River, 13-7, in the latter's homecoming game.

50 YEARS AGO (1970)

Mrs. Gary Gunderson, chairman of the Kanabec county Republican committee, reports that Republican headquarters has opened an office space above the Mora Drug store which formerly were used by Dr. Ralph Swenson.

Anyone desiring literature or information about Republican candidates is invited to stop in at the office. Bumper stickers, pins and HEAD stickers will be available at the headquarters.

By a better than 2-1 margin, resident voters in the Mora school district defeated a proposed $3,515,000 high school bond issue here Tuesday.

The vote was 500 even in favor of the new senior high school and 1290 voting NO on the proposal.

Superintendent Pius Lacher said, "I'm extremely disappointed. I really don't think that people realized the situation that we have. Many people feel that we have an extravagant building plan and went to the bond issue expecting to have it defeated the first time. This is not true -- we didn't include anything in the plans that we could cut."

It was the first time the issue had come before the voters. The school board met late Tuesday night following the election and announced plans for a second referendum in the near future, according to Superintendent Lacher.

25 YEARS AGO (1995)

Kanabec County commissioners spent over two hours last Wednesday gathering information for their public education campaign on the courthouse financing referendum, which they passed 3-2 at their previous meeting.

According to a space needs study by architect Bob Ogdahl, county departments require about 50,000 net square feet. Net square feet make up about 60 percent of the gross area, according to Ogdahl, which means about 83,000 gross square feet are needed.

That includes 9,600 net square feet for court services, 9,500 net square feet for social services and 11,500 net square feet for a 42-cell jail with three holding cells.

Bye, bye, blackbirds, bluebirds and bees.

Hello, icy fingers, frosty ears, and cold knees.

So long, sandals, shorts, and summer suntans.

Welcome back, frozen green peas and tomatoes in cans.

Goodbye, garage sales -- too cold to browse and choose.

Along about October, I get the rummager's blues.
