A Time for Giving Thanks – and Giving Homes to the Loving Lonely

Dan Rice
FYI Television, Inc.

This Thanksgiving, man's best friend will be treated to a little extra attention – aside from the additional table scraps that come with the holiday feast. Airing Thursday at 7 p.m., "FOX's Cause for Paws: An All-Star Dog Spectacular" is a two-hour celebration of canine companions and the joy they bring to our lives. Famous dog lovers come together with the thoughtful message that, if you are in the market for a furry friend with whom to share your life, it would be ideal to avoid the inadvertent support of a puppy mill and instead adopt a shelter dog, one who would reward its rescuer with boundless gratitude and love.

The inspirational program is co-hosted by two-time Academy Award winner Hilary Swank and Golden Globe winner Jane Lynch. Swank, who also co-executive-produces the groundbreaking special with Michael Levitt, says she is hoping to raise awareness of the millions of animals that are euthanized each year in the United States

alone, a number that could be greatly diminished if more people considered adopting shelter dogs – many of which are purebreds – and then followed through by spaying or neutering their pets.

"I have long been an advocate for animal adoption and know firsthand the immense joy a shelter animal brings to our lives," says Swank. "Yet, every year more than four million animals are euthanized because of overcrowding in shelters. We are so fortunate to have an animal advocate in the FOX network that not only sees the need for more awareness surrounding this issue, but is willing to set aside a two-hour block for this important cause. This partnership will change the path of a soul for thousands of animals looking for their forever home."

The program will feature inspiring and often amusing stories of rescue dogs and people who dedicate their lives to saving animals in need, and include viral videos starring rescue pups and musical tributes to amazing superhero canines. Throughout the broadcast, viewers will

be introduced to rescue dogs available for adoption by such celebrities as Betty White, Miranda Lambert, Scarlett Johansson, Cesar Millan, Kristen Bell, Kristin Chenoweth, Paula Abdul, LeAnn Rimes, Rebecca Romijn, Emmy Rossum, P!nk, Keshia, Carrie Ann Inaba, Sharon and Kelly Osbourne, Josh Duhamel and his wife, Fergie. Also appearing are the acclaimed rescue canines The Olate Dogs, who will join in an exclusive performance to honor all shelter dogs in need of adoption.

During the broadcast, viewers will be provided with information about adoptable animals in their local areas, and given the opportunity to make donations to the Petfinder Foundation, an independent nonprofit organization supporting shelters and rescue groups nationwide. Viewers can also donate via a text number listed during the show or online at fox.com/causeforpaws.

"We've seen the entertainment industry come together for so many worthwhile causes benefiting people, now it's time for them to rally for

man's best friend," says Levitt. "It warms my heart that so many animal loving celebrities are stepping up in support of all the beautiful souls that need us to be their voice. This is our big opportunity to change the misperception of shelter animals and show the world that rescuing a dog is always the way to go."

"There are a number of entertainment specials for humans, but very few for the species we humans most love and cherish," adds Simon Andraea, executive vice president of FOX Alternative Entertainment. "In this first-of-its kind event, FOX will offer viewers the chance to appreciate the role that dogs play in our lives, contribute to homeless dog charities, and even adopt rescue dogs of their own. We know that Hilary and Michael's passion and the enthusiasm of everyone involved will make a huge difference to the lives of hopeful humans and homeless dogs right across the country."

The special will also include awards and celebrity presentations showcasing such canine categories as Cutest Puppy, Best Celebrity/Dog Lookalike, Guiltiest Dog, Best Licker, Smartest Dog and Best Viral Dog Video. And viewers will be provided with information regarding adoptable animals in their local areas, as well as the opportunity

Grammy-winning singer and MuttNation founder Miranda Lambert is among the dog lovers participating on "FOX's Cause for Paws: An All-Star Dog Spectacular," airing Thursday at 7 p.m.

to help raise funds for rescue organizations throughout the U.S. The time will be used to promote awareness of many dog-related issues and topics while encouraging people to

adopt one of the more than eight million animals that are currently in the U.S. shelter system, each patiently waiting to become part of a loving family.

TRIVIA CHAIN

Thanksgiving Movies

1. This 1994 live-action Disney film tells the true story of the Patuxet tribesman who escaped enslavement by English settlers to make peace with the Pilgrims for the first Thanksgiving celebration.

2. A high-strung executive's trip home for Thanksgiving is made all the more disastrous by the overly talkative (and clumsy) shower curtain ring salesman who becomes his unwanted travel companion.

3. In this Oscar-winning 1992 drama, a prep school student takes a job over the Thanksgiving weekend looking after a blind and cantankerous retired Army officer.

4. This counterculture comedy classic of 1969 was adapted

song composed and performed by the songwriter appearing as himself.

5. This popular 1993 comedy explores the culture clash of a flamboyant California party animal who accompanies his new college friend to her South Dakota farm over Thanksgiving break.

6. In this caper film, the Macy's Thanksgiving Day Parade serves as cover for a crew of co-workers intent on robbing the financier who stole their pension funds with a Ponzi scheme.

7. A comic actor takes on the dual role of a successful ad executive who is irritated by the Thanksgiving visit of his annoying "identical" twin sister in this comedy.

Laugh Along w/ LateNight

David Letterman

What a day. It's 53 and gloomy - like President Obama. How about that election night? Here's the breakdown. The Republicans won the popular vote. The Democrats won the unpopular vote. President Obama has two years left as president. I wouldn't be surprised if he gets to appoint two new Kardashian husbands.

Jimmy Fallon

Now that the midterm elections are over, President Obama has invited congressional leaders from both parties to a meeting at the White House tomorrow. When asked if he's nervous, Obama said, "Oh, I'm not going to be there. I just invited them over. They can figure it out themselves."

Craig Ferguson

Netflix is making a series based on the "Lemony Snicket" books. I was in a "Lemony Snicket" movie they made back in 2004. I was a person of indeterminate gender. I can't remember who I played in the movie, but I was a person of indeterminate gender.

Seth Meyers

The drummer for rock band AC/DC has been charged with attempting to have two people killed by hit men. Authorities say the drummer would've done it himself, but his last hit was over 20 years ago.

Moments in Time

On Nov. 26, 1922, in Egypt's Valley of the Kings, British archaeologists become the first souls to enter King Tutankhamen's tomb in more than 3,000 years. Inside was a collection of several thousand priceless objects, including a gold coffin containing the mummy of the teenage king.

On Nov. 24, 1932, the FBI crime lab opens in Washington, D.C. The lab was chosen because it had the necessary sink. It was operated out of a single room with one full-time employee who began with a borrowed microscope.

On Nov. 27, 1942, French Admiral Jean de Laborde sinks the French fleet anchored off the southern coast of France to keep it out of German hands. Laborde ordered the sinking of eight cruisers, an aircraft

transport, 30 destroyers and 16 submarines.

On Nov. 30, 1950, President Harry Truman announces that he is prepared to authorize the use of atomic weapons in order to achieve peace in Korea. At the time, communist China had joined North Korean forces in their attacks on United Nations troops, including U.S. soldiers in South Korea.

On Nov. 28, 1979, a New Zealand sightseeing plane traveling over Antarctica crashes, killing all 257 people on board, after the pilot descended to 1,500 feet. The pilot didn't know that his descent came right as the plane reached Mount Erebus, a 12,444-foot volcano.

On Nov. 25, 1980, Sugar Ray Leonard regains boxing's welterweight title when his opponent, reigning champ Roberto Duran, waves his arms and walks away from the fight in the eighth round. "No mas, no mas," Duran told the referee. "No more box."
