### Destination Weddings

Let me capture your special day in the sand and sun as you travel to a destination for the wedding of your dreams.

You can choose from any of the previous packages, then add airfare from Bismarck and three nights at the resort where you will be staying and getting married. Also included will be photos of the daily events to capture all the special moments and a trash-the-dress photo shoot.

#### Online Viewing

All photos from engagements and weddings will be placed online for viewing and ordering using the couples own login and password. You can pass this on to your friends and family so they can share in your excitement. They can also place their own orders at that time.

#### To Hold the Date

A non-refundable, non-transferable deposit of \$500 is due upon booking your wedding date. This deposit goes toward the cost of your package, and holds the date of your wedding. When the deposit is made, the contract will be signed as a binding agreement between both parties.

First half of package (which needs to be chosen at this time) is due one month later, less the retainer amount. The remaining balance is due two weeks prior to the wedding. Mileage for out-of-town weddings is \$.50 per mile, round trip, for travel costs.

### Engagement Session \$70

An engagement session is included with each package. This is a great time for me to really get to know the couple and create some wonderful images that may be used on save-the-dates, in custom albums, on invites and programs. The couple can do in-studio or outside location shots. Two outfit changes are included (both formal and casual look great).

#### Engagement session includes:

8.5x11 spiral bound proof book with 9 images per page.

(8x8 and larger come with dust jacket for protection.)

#### Bridal Sitting \$50

If you're getting your hair and makeup done as a practice run, what better time to take some fun photographs of just you for your groom-to-be. Also a great way to make sure everything looks just the way you hope! (Photos will have a separate login for you only.)

#### Trash the Dress \$100

Romantic honeymoon-style photos of the newlyweds in either wedding attire or fun clothes. These look great in the water, on the beach, in a garage, or on the farm. Before your dress gets cleaned, put it on one more time and have some fun.

*It's the best day of your life,*

you have never been so in love. Let me capture those memories in beautiful photographs to help you remember this day for the rest of your life.
