NOTICE OF FILING OF AN APPLICATION FOR RENEWAL OF PERMIT TO CONDUCT SURFACE COAL MINING AND RECLAMATION OPERATIONS, AND NOTICE OF FILING OF A REVISION TO AN APPROVED SURFACE COAL MINING PERMIT

The Coteau Properties Company, 204 County Road 15, Beulah, ND, 58523, as applicant, has filed an Application for Renewal #5 of Permit NACT-9101 with the North Dakota Public Service Commission. The permit area covers all or portions of Sections 5, 6, 7, 8, 9, 15, 16, 17, 18, and 21, T145N, R86W, and all or portions of Sections 1, 2, 3, 9, 10, 11, 12, 13, 14, and 15, T145N, R87W, of the Fifth Principle Meridian, Mercer County, North Dakota. The permit term will be from June 30, 2017 to June 30, 2022.

The Coteau Properties Company has also filed an application for Revision 33 to Permit NACT-9101. This revision identifies the next coal removal subareas that will be mined during the next five year permit term, and updates introductory information, legal information, business entity/compliance information, identification of interests and rights of entry, operations plan – general, operations – surface water management, post-mining land use and revegetation, and reclamation – general for renewal #5 of this permit. In addition, approximately 478 acres in Sections 9 and 10, T145N, R87W, currently permitted under Permit-NACT 9001, are proposed to be transferred to Permit NACT-9101. These acres lay within the Renner Trench with no recoverable coal reserves. The surface is currently disturbed in support of mining by a haulroad leading to coal reserves east of County Road 21. Permit NACT-9101 currently consists of 7949.628 acres of land. The additional acres transferred from Permit NACT-9001 will bring the total acreage covered under Permit NACT-9101 to 8427.438 acres.

The permit area lies approximately six miles north of Beulah, North Dakota, as depicted on the map published with this public notice.
