Executive Summary

City of Bozeman
Aquatics and Recreation Facilities Citizen Survey
Executive Summary Report

Overview of the Methodology

Leisure Vision conducted an Aquatics and Recreation Facilities Citizen Survey for the City of Bozeman in July of 2012. The purpose of the survey was to help establish priorities for the future development of aquatics and recreation facilities within the community. The survey was administered via mail, phone and online.

Leisure Vision worked extensively with City of Bozeman officials in the development of the survey questionnaire. This work allowed the survey to be tailored to issues of strategic importance to effectively plan the future system.

The goal was to obtain a total of at least 600 completed surveys. This goal was far exceeded, with 930 surveys having been completed. The level of confidence is 95% with a margin of error of +/-3.2%.

The following pages summarize major survey findings.

Major Survey Findings

- **How Often Residents Used the Bozeman Swim Center Over the Past 12 Months.** Of the 37% of households that used the Bozeman Swim Center over the past 12 months, 19% of them used it between 1 and 5 days. Of the remaining households, 7% visited between 6 and 10 days; 5% visited 11 to 25 days; 2% used the center between 26 and 50 days; 1% used it between 51 and 100 days, and the final 3% visited more than 100 days over the past 12 months.
- **Condition of the Bozeman Swim Center.** Of the 37% percent of households that indicated they used the Bozeman Swim Center over the past 12 months, 6% rated the condition as “excellent.” Thirty-eight percent (38%) indicated the condition was “good”, while 50% indicated it was “fair”. The remaining 6% indicated the condition of the Bozeman Swim Center was “poor.”
- **How Often Residents Used the Bogert Pool in 2011.** Of the 44% of households that used the Bogert Pool in 2011, 22% of them used it between 1 and 5 days. Of the remaining households, 10% visited between 6 and 10 days; 9% visited 11 to 25 days, and 3% used the pool between 26 and 50 days. Less than 1% of households indicated they used the Bogert Pool 51 or more days in 2011.
- **Condition of the Bogert Pool.** Of the 44% percent of households that indicated they used the Bogert Pool in 2011, 2% rated the condition as “excellent.” Twenty-seven percent (27%) indicated the condition was “good”, while 47% indicated it was “fair”. The remaining 24% indicated the condition of the Bogert Pool was “poor.”
- **Additional Facilities Where Households Go for Indoor and Outdoor Swimming Needs.** Forty-seven percent (47%) of respondent households indicated they use area lakes and beach parks for their swimming needs in addition to Bozeman Swim Center and the Bogert Pool. Other facilities include: Hot Springs Pool (46%), hotel or resort pools (23%), private health club pools (21%) and Belgrade Splash Pad (18%).
- **How Well Residents’ Needs Are Being Met by the Indoor and Outdoor Swimming Facilities They Currently Use.** Thirty-two percent (32%) of respondent households indicated the indoor and outdoor swimming facilities they currently use are meeting all their needs. Fifty-seven percent (57%) indicated the facilities meet some of their needs, and the remaining 11% indicated the facilities do not meet the needs of their household.

- **Level of Need for Certain OUTDOOR Aquatic Features in Bozeman.** Eighty-five percent (85%) of households indicated an area for swim lessons is either “strongly needed” (67%) or “somewhat needed” (18%) in Bozeman. Other outdoor features with similar levels of need are: lanes for lap swimming (50% “strongly needed”, 27% “somewhat needed”), warm water area for exercise (39% “strongly needed”, 34% “somewhat needed”), 50 meter competition pool for large swim meets (33% “strongly needed”, 26% “somewhat needed”), and slides (31% “strongly needed”, 42% “somewhat needed”).
- **THREE Outdoor Pool Program Spaces That Residents Indicated Are Most Needed in Bozeman.** Based on the sum of their top three choices, the outdoor pool program spaces that residents indicated are most needed in Bozeman are: area for swim lessons (65%), lanes for lap swimming (39%), warm water area for exercise (31%), and slides (29%). It is interesting to note that of all respondents surveyed who selected “area for swim lessons” as one of their top three choices, 46% of them indicated it was the “most needed” feature.
- **Number of Days Per Year Residents Would Use Either a Renovated Bogert Pool or a New Outdoor Aquatic Center.** Fourteen percent (14%) of households indicated they would use either a renovated Bogert Pool or a new outdoor aquatic center between 1 and 5 days per year. Thirteen percent (13%) would use either facility 6 to 10 days per year, while 21% would use them 11 to 25 days annually. The remaining frequency of usage is as follows: 26 to 50 days (16%), 51 to 100 days (7%), and more than 100 days (2%). Twenty-seven percent (27%) of respondent households indicated they would not use either a renovated Bogert Pool or a new outdoor aquatic center.
- **Level of Need for Certain INDOOR Aquatic Features in Bozeman.** Eighty-seven percent (87%) of households indicated an area for swim lessons is either “strongly needed” (69%) or “somewhat needed” (18%) in Bozeman. Other indoor features with similar levels of need are: lanes for lap swimming (55% “strongly needed”, 26% “somewhat needed”), warm water area for exercise (44% “strongly needed”, 33% “somewhat needed”), recreation features such as slides, etc. (38% “strongly needed”, 34% “somewhat needed”), and 50 meter competition pool for large swim meets (38% “strongly needed”, 27% “somewhat needed”).
- **THREE Indoor Pool Features That Residents Indicated Are Most Needed in Bozeman.** Based on the sum of their top three choices, the indoor pool features that residents indicated are most needed in Bozeman are: area for swim lessons (65%), lanes for lap swimming (39%), recreation features such as slides, etc. (36%), and warm water area for exercise (33%). Again, “area for swim lessons” was selected by

an overwhelming number of households as their first choice (45%) when compared with other program features needed in Bozeman.

- **How Often Residents Would Visit a Renovated Bozeman Swim Center.** One-fourth (25%) of respondent households indicated they would visit a renovated Bozeman Swim Center at least once per week. The remaining frequency of usage is as follows: a few times per month (21%), monthly (12%), less than once per month (20%), and never (22%).
- **ALL Indoor Recreation, Sports, and Fitness Facilities That Residents Currently Use.** Forty-five percent (45%) of respondent households indicated they currently use private fitness clubs in the Bozeman area. Thirty-three percent (33%) use City of Bozeman facilities, while 26% use schools and 18% use Montana State facilities.
- **How Well Residents' Needs Are Being Met by the Indoor, Sports and Fitness Facilities They Currently Use.** Twenty-five percent (25%) of respondent households indicated the indoor recreation, sports and fitness facilities they currently use are meeting all their needs. Fifty-nine percent (59%) indicated the facilities meet some of their needs, and the remaining 16% indicated they do not meet the needs of their household.
- **Level of Need for Certain Indoor Community Recreation Features in Bozeman.** Sixty-nine percent (69%) of households indicated gymnasiums for basketball, volleyball, etc. are either “strongly needed” (35%) or “somewhat needed” (34%) in Bozeman. Other indoor community recreation features with similar levels of need are: indoor running/walking track (34% “strongly needed”, 31% “somewhat needed”), area for before and after school programs (29% “strongly needed”, 32% “somewhat needed”), a babysitting area (29% “strongly needed”, 34% “somewhat needed”), and a teen area (27% “strongly needed”, 33% “somewhat needed”).
- **THREE Indoor Recreation Features That Residents Indicated Are Most Needed in Bozeman.** Based on the sum of their top three choices, the indoor recreation features that residents indicated are most needed in Bozeman are: gymnasiums for basketball, volleyball, etc. (32%), an indoor running/walking track (27%), a teen area (19%), and multipurpose space for classes, meetings, etc. (18%).
- **How Often Residents Would Visit a New Indoor Recreation Center.** Twenty-two percent (22%) of respondent households indicated they would visit a new indoor recreation center several times per week. The remaining frequency of usage is as follows: once per week (16%), a few times per month (17%), monthly (11%), less than once per month (16%), and never (18%).

- **Maximum Amount Households Are Willing to Pay Per Month For a FAMILY MEMBERSHIP To Use a New Indoor Recreation Center.** Eight percent (8%) of respondent households indicated they are willing to pay \$70 or more per month for a family membership to use a new indoor recreation center. Of the remaining households, 10% would pay between \$61 and \$70, 34% would pay \$50 to \$60, and nearly half (48%) would pay less than \$50 per month for a family membership to use a new indoor recreation center.
- **Maximum Amount Households Are Willing to Pay Per Month For an INDIVIDUAL MEMBERSHIP To Use a New Indoor Recreation Center.** Seven percent (7%) of respondent households indicated they are willing to pay \$50 or more per month for an individual membership to use a new indoor recreation center. Of the remaining households, 8% would pay between \$45 and \$49, 23% would pay \$40 to \$44, and 62% would pay less than \$40 per month for an individual membership to use a new indoor recreation center.
- **How the Cost for Operating a New Indoor Recreation Center Should be Paid For.** Two percent (2%) of respondent households indicated that the cost for operating a new indoor recreation center should be paid for 100% through taxes. One-third (33%) indicated the cost should be paid for with a majority of taxes and some user fees, while 53% indicated the majority should be covered through user fees. The remaining 12% of households were unsure how to pay the cost for operating a new indoor recreation center.
- **Three Actions the City Should Take to Improve Indoor and Outdoor Aquatic and Recreation Facilities.** Fifty-nine percent (59%) of households indicated that building a new indoor community recreation center is one of three steps the City of Bozeman could take in improving indoor and outdoor aquatic and recreation facilities. The remaining actions that households selected as one of their three choices are as follows: building a new outdoor aquatic center in addition to renovating the existing Bogert Pool (36%), renovating the existing Bozeman Indoor Swim Center (36%), building a new outdoor aquatic center to replace the Bogert Pool (34%), and renovating the existing Bogert Outdoor Pool (32%).
- **Maximum Amount of Additional Taxes Residents Would be Willing to Pay to Help Fund the Construction and Operation of New Indoor and Outdoor Aquatic and Recreation Facilities.** More than one-fourth (27%) of households indicated they would be willing to pay \$100 or more per year in additional taxes to help fund the construction and operation of new indoor and outdoor aquatic and recreation facilities. Seven percent (7%) of respondents indicated they are willing to pay \$75 to \$99 per year, while 13% would pay \$50 to \$74 per year. Of the remaining

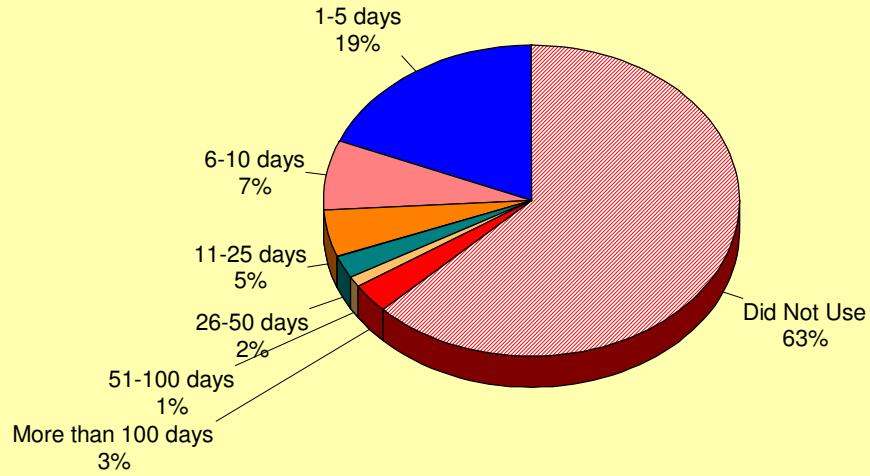

households, 17% would pay \$25 to \$49 per year, 11% were unsure how much they would be willing to pay, and 25% indicated they do not support a tax increase for new aquatic and recreation facilities.

- **Level of Priority for Renovating and/or Building New Indoor and Outdoor Aquatic and Recreation Program Spaces in the City of Bozeman.** More than one-third (35%) of households indicated that renovating and/or building new indoor and outdoor aquatic and recreation program spaces in the City of Bozeman should be a high priority. Thirty-two percent (32%) indicated it is a “medium priority” and 15% indicated it is a “low priority”. Of the remaining respondents, 14% indicated it is not a priority, and 4% had no opinion.

Section 6:
Survey Instrument

The City of Bozeman would like your input regarding indoor and outdoor aquatic facilities and indoor recreation program spaces in the community whether provided by the City or other providers. This survey will take approximately 10 minutes to complete. When you are finished, please return your survey in the enclosed postage-paid, return-reply envelope within the next two weeks.

Are you a resident of the City of Bozeman?

(1) Yes [please continue the survey.] (2) No

Are you a resident of Gallatin County, outside of Bozeman?

(1) Yes [please continue the survey.] (2) No

Do you live outside of Bozeman and Gallatin County?

(1) Yes [please discontinue the survey.] (2) No

Current Usage and Satisfaction with City of Bozeman Aquatic Facilities

1. The Bozeman Swim Center is a 50 meter indoor pool that was built in 1974 and is operated by the Bozeman Parks and Recreation Department. From the following list, please check how many days you and members of your household used the Bozeman Swim Center over the past 12 months.

<input type="checkbox"/> (1) 1-5 days	<input type="checkbox"/> (5) 51-100 days
<input type="checkbox"/> (2) 6-10 days	<input type="checkbox"/> (6) More than 100 days
<input type="checkbox"/> (3) 11-25 days	<input type="checkbox"/> (7) Did not use. Skip to Q3.
<input type="checkbox"/> (4) 26-50 days	

2. Overall, how would you rate the condition of the Bozeman Swim Center?

<input type="checkbox"/> (1) Excellent	<input type="checkbox"/> (3) Fair
<input type="checkbox"/> (2) Good	<input type="checkbox"/> (4) Poor

3. The Bogert Pool is an outdoor pool that was built in 1939 and refurbished in 1974. From the following list, please check how many days you and members of your household used the Bogert Pool in 2011.

<input type="checkbox"/> (1) 1-5 days	<input type="checkbox"/> (5) 51-100 days
<input type="checkbox"/> (2) 6-10 days	<input type="checkbox"/> (6) More than 100 days
<input type="checkbox"/> (3) 11-25 days	<input type="checkbox"/> (7) Did not use. Skip to Q5.
<input type="checkbox"/> (4) 26-50 days	

4. Overall, how would you rate the condition of the Bogert Pool?

<input type="checkbox"/> (1) Excellent	<input type="checkbox"/> (3) Fair
<input type="checkbox"/> (2) Good	<input type="checkbox"/> (4) Poor

5. In addition to the Bogert Pool and the Bozeman Swim Center, where do you and members of your household currently go for your indoor and outdoor swimming needs? (choose all options that apply)

<input type="checkbox"/> (1) Private health club pools	<input type="checkbox"/> (6) Area lakes/beach parks
<input type="checkbox"/> (2) Belgrade Splash Pad	<input type="checkbox"/> (7) Other pools near Bozeman
<input type="checkbox"/> (3) Hot Springs Pool	<input type="checkbox"/> (8) Other: _____
<input type="checkbox"/> (4) Hotel or resort pools	<input type="checkbox"/> (9) None. Skip to Q7.
<input type="checkbox"/> (5) Montana State facilities	

6. Which ONE of the following statements best represents how the indoor and outdoor swimming facilities that you are currently using meet your needs?

- (1) Meet all of your needs
 (2) Meet some of your needs
 (3) Does not meet any of your needs

Potential Improvements or New OUTDOOR City of Bozeman Aquatic Facilities

7. The following are some OUTDOOR pool program spaces that could be developed in the City of Bozeman. Regardless of whether your household swims or not, please indicate whether you think each of these features is strongly needed, somewhat needed or not needed in Bozeman.

	Strongly Needed	Somewhat Needed	Not Needed	Don't Know
(A) Area for swim lessons.....	1.....	2.....	3.....	4.....
(B) Slides	1.....	2.....	3.....	4.....
(C) Interactive water features.....	1.....	2.....	3.....	4.....
(D) Lazy river	1.....	2.....	3.....	4.....
(E) Warm water area for exercise.....	1.....	2.....	3.....	4.....
(F) 25 yard competition pool.....	1.....	2.....	3.....	4.....
(G) 50 meter competition pool for large swim meets	1.....	2.....	3.....	4.....
(H) Diving boards for competition.....	1.....	2.....	3.....	4.....
(I) Hot tub or whirlpool	1.....	2.....	3.....	4.....
(J) Lanes for lap swimming	1.....	2.....	3.....	4.....

8. Which THREE of the OUTDOOR pool features listed in question #7 do you and members of your household feel are MOST NEEDED in Bozeman? [Please write in the letters from question #7 on the lines below for your 1st, 2nd, and 3rd choices, or circle 'None Needed'.]

- | | | | |
|----------------|--------------------|--------------------|----------------|
| | | | |
| Most
Needed | 2nd Most
Needed | 3rd Most
Needed | None
Needed |

9. If the City of Bozeman made the types of improvements to OUTDOOR pool features that you indicated in question #8 as most needed, approximately how many days would you and members of your household use either a renovated Bogert Pool or a new outdoor aquatic center?

- | | |
|---|--|
| <input type="checkbox"/> (1) 1-5 days
<input type="checkbox"/> (2) 6-10 days
<input type="checkbox"/> (3) 11-25 days
<input type="checkbox"/> (4) 26-50 days | <input type="checkbox"/> (5) 51-100 days
<input type="checkbox"/> (6) More than 100 days
<input type="checkbox"/> (7) Would not use. |
|---|--|

Potential Improvements or New INDOOR City of Bozeman Aquatic Facilities

10. The following are some INDOOR pool program spaces that could be developed in the City of Bozeman. Regardless of whether your household swims or not, please indicate whether you think each of these features is strongly needed, somewhat needed or not needed in Bozeman.

	<u>Strongly Needed</u>	<u>Somewhat Needed</u>	<u>Not Needed</u>	<u>Don't Know</u>
(A) Area for swim lessons.....	1.....	2.....	3.....	4.....
(B) Recreation features such as slides and water spray elements, and zero depth entry so you can walk into the pools	1.....	2.....	3.....	4.....
(C) Warm water area for exercise.....	1.....	2.....	3.....	4.....

(K) Indoor running/walking track	1	2	3	4
(L) Preschool program space	1	2	3	4
(M) Babysitting area for children of parents using facility .	1	2	3	4
(N) Theater for the performing arts.....	1	2	3	4
(O) Rock climbing wall.....	1	2	3	4
(P) Area for before and after school programs.....	1	2	3	4
(Q) Gymnastics area.....	1	2	3	4
(R) Indoor playground	1	2	3	4
(S) Other: _____	1	2	3	4

16. Which **THREE** of the INDOOR recreation features listed in question #15 do you think are **NEEDED THE MOST** by residents of Bozeman? [Please write in the letters from question #15 on the lines below for your 1st, 2nd, and 3rd choices, or circle 'None Needed'.]

Most Needed 2nd Most Needed 3rd Most Needed None Needed

17. Which ONE of the following statements best represents how often you think that you or other members of your household would visit a new indoor recreation center that had the recreation features you feel are most needed?

____ (1) Several times per week

____ (4) Monthly

____ (2) Once per week

____ (5) Less than once a month

____ (3) A few times a month

____ (6) Never

Costs for Operations of a New INDOOR City of Bozeman Facility
--

18. A portion of the cost of operating a renovated/new INDOOR recreation center would need to be covered by user fees. From the following list, please indicate the MAXIMUM amount you would be willing to pay PER MONTH for a family membership to use a new INDOOR CENTER if it had the recreation features you most preferred.

____ (1) \$70 or more per month

____ (2) \$61 - \$70 per month

____ (3) \$50 - \$60 per month

____ (4) Less than \$50 per month (write in the amount you would pay) \$_____

19. From the following list, please indicate the MAXIMUM amount you would be willing to pay PER MONTH for an individual membership to use a new INDOOR CENTER if it had the recreation features you most preferred.

____ (1) \$50 or more per month

____ (2) \$45 - \$49 per month

____ (3) \$40 - \$44 per month

____ (4) Less than \$40 per month (write in the amount you would pay) \$_____

20. Which ONE of the following statements best represents how you feel the cost for operating a new INDOOR recreation center with the recreation features that you and members of your household most prefer should be paid for?

____ (1) 100% through taxes

____ (2) Taxes should pay the majority of costs and fees from users the remaining costs

____ (3) Fees from users should pay the majority of costs and taxes the remaining costs

____ (4) Don't know

Highest Priorities for Improvements to Aquatics and Indoor Recreation Program Spaces

21. **The City of Bozeman has a number of options for improving outdoor and indoor aquatic facilities, including renovations to the Bogert Outdoor Pool and/or the Bozeman Indoor Swim Center, or/and possibly building new indoor and/or outdoor aquatics centers. Additionally, the City of Bozeman, possibly with other community providers, could develop a new combination Indoor Aquatic and Recreation Center.**

From the list below, please check the THREE options that BEST represent the actions you feel the City should take to improve indoor and outdoor aquatic and recreation facilities.

- ____ (1) Renovate the existing Bogert Outdoor Pool, built in 1939 and refurbished in 1974. This option would allow renovation of the existing pool and development of some additional water slides, and water spray features. Note: The site size will put limitations on the amount of additional water features which could be added.
- ____ (2) Renovate the existing Bozeman Indoor Swim Center, built in 1974. This option would allow renovation of the existing 50 meter competition pool and lap lanes, and development of some water slides, and water spray features. No new indoor recreation facilities would be added. Note: The site size will put limitations on the amount of additional water and recreational features which could be added.
- ____ (3) Build a new OUTDOOR aquatic center to replace the existing Bogert Outdoor Pool. This option would allow development of a new outdoor pool with the types of the aquatic features most important to your household, i.e. lap lanes, slides, competition pool, etc.
- ____ (4) Build a new OUTDOOR aquatic center in addition to renovating the existing Bogert Pool. This option would allow both development of a new outdoor pool and renovation of the existing Bogert Outdoor Pool, with the features most important to your household.
- ____ (5) Build a new INDOOR community recreation center, with both recreation and aquatic program features. This option would allow development of a new indoor recreation center with the recreation features (gyms, fitness area, track, etc.) and aquatic features (zero depth entry, competition pool, lap lanes, etc.) most important to your household.
- ____ (6) Build a new INDOOR Aquatic Center with no recreation features. This option would allow development of a new indoor aquatic center with the types of aquatic features (i.e. slides, zero depth entry, competition pool, lap lanes, etc.) most important to your household and no indoor recreation features.
- ____ (7) Build a new INDOOR Recreation Center with no aquatic features. This option would allow development of a new indoor recreation center with the types of recreation features (i.e. gyms, fitness area, indoor track, etc.) most important to you and no aquatic features.
- ____ (8) Do not renovate or build any new aquatic or indoor recreation facilities.

**Funding for Improvements to Aquatics and Indoor Recreation Program Spaces
Most Important to Your Household**

22. The costs to construct and assist in operating any new indoor and outdoor aquatic and recreation facilities would require some tax funding. From the following list, please check the **MAXIMUM** amount of additional taxes you would be willing to pay per year to help fund the types of indoor and outdoor aquatic and recreation program features that are most important to your household.

Note: The higher the amount of tax revenue that is available, the greater the number of aquatic and recreation program spaces that could be developed and operated.

- (1) \$150 per year or more
- (2) \$125-\$149 per year
- (3) \$100-\$124 per year
- (4) \$75-\$99 per year
- (5) \$50-\$74 per year
- (6) \$25-\$49 per year
- (7) Not sure
- (8) Do not support a tax increase for recreation facilities

23. What priority should renovating and/or building new indoor and outdoor aquatic and recreation program spaces have in the City of Bozeman?

- (1) A high priority
- (2) A medium priority
- (3) A low priority
- (4) Not a priority
- (5) Do not have an opinion

24. How many persons in your household (counting yourself) are?

- | | | |
|--|--|--------------------------------------|
| Under 5 years <input type="checkbox"/> | 20 - 24 years <input type="checkbox"/> | 55-64 years <input type="checkbox"/> |
| 5 - 9 years <input type="checkbox"/> | 25 - 34 years <input type="checkbox"/> | 65+ years <input type="checkbox"/> |
| 10 - 14 years <input type="checkbox"/> | 35 - 44 years <input type="checkbox"/> | |
| 15 - 19 years <input type="checkbox"/> | 45 - 54 years <input type="checkbox"/> | |

25. What is your age? _____ years

26. Your gender

- (1) Male
- (2) Female

27. How many years have you lived in the Bozeman area? _____ years

28. What is your total annual household income (This is for demographic purposes only)?

- (1) Under \$25,000
- (2) \$25,000 to \$49,999
- (3) \$50,000 to \$74,999
- (4) \$75,000 to \$99,999
- (5) \$100,000 or more

29. Are you a full-time college student?

- (1) Yes
- (2) No

This concludes the survey. Thank you for your time.

Please return your completed survey in the enclosed return-reply envelope addressed to: ETC Institute, 725 W. Frontier Circle, Olathe, Kansas 66061
