Angels around us, angels beside us, angels within us. Angels are watching over you when times are good or stressed. Their wings wrap gently around you, whispering you are loved and blessed.
~ Angel Blessing

*The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God.

In Loving Memory
Happy Birthday,
Erin Lynn West
06/28/71- 01/07/96

Dear Erin,
What a surprise you were the day you were born.
A Boy or Girl, we didn't know and when we held you in our arms we knew we never wanted to let you go.
24 precious years we had with fun, love and laughter.
Memories we will cherish for ever after.
You filled our lives with sunshine and when you were taken away, you turned our tears into rainbows. But we'll never be the same.
You stole our hearts that summer's day, so keep them close to you till we meet again
One Sweet Day

Love,
Mom, Dad, Courtney, Stephen,

Julie Lynn Rinebold

Precious little daughter
The days have gone so fast
And though its now been three years
The pain will always last
The door that you have passed through
We all must take our turn
Once we cross that threshold
The answers we will learn
The minutes God has granted
So precious, yet so few
Created for us memories
That keep us close to you

We love and miss you,
Julie, so very much.

Forever In Our Hearts

If tears could build a stairway, and memories were a lane, We would walk right up to heaven, to bring you home again.

No farewell words were spoken, No time to say goodbye.

You were gone before we knew it, And only God knows why.

Our hearts still ache in sadness, And secret tears still flow.

What it meant to lose you, No one will ever know.

Missing You Always Love,

Mom, Dad & Kristie Ann
