## Why choose PinnacleHealth Cancer Institute?

At the PinnacleHealth Cancer Institute, we treat our patients like family. As one of the largest providers of cancer care in the region, we understand that a diagnosis of cancer is just the beginning of a journey that will affect each person and their loved ones in a unique way.

We are fully committed to treating the whole person, not just the cancer diagnosis. We support and guide patients in making the right decisions for their health. At PinnacleHealth, our patients are cared for close to home with the same treatment plans used by major cancer centers across the U.S.
