In true finale fashion, "Tyrant" ended its sophomore season with some gasp-worthy drama and unanswered questions, not the least of which surround the maybe-death of a key character. Though many doubted that the Middle East-set drama would secure a third-season renewal, the series returns to answer some pivotal questions — chiefly who will rise as the show's new chief villain if the worst befalls Jamal (Ashraf Barhom, "The Kingdom," 2007). Find out when "Tyrant" returns Wednesday, July 6, on FX.

Back with a bang

'Tyrant' returns for a third season after a major cliffhanger

By Jacqueline SpendloveTV Media

ho doesn't love a good cliffhanger? In true finale fashion, "Tyrant" ended its sophomore season with some gasp-worthy drama and unanswered questions, not the least of which surround the maybe-death of a key character.

With decent yet quiet ratings, the Middle East-set drama left many doubting that it would score a third-season renewal, but it was announced back in October that the series would indeed live to see another day. The season 3 premiere of "Tyrant" airs Wednesday, July 6, on FX

There's no denying that the controversial "Tyrant" has had its ups and downs. The product of Emmy-winning "Homeland" creator Gideon Raff, the series lost a good chunk of its viewers after a respectable premiere. The numbers started to creep back up as season 2 progressed, however, averaging 2.47 million viewers and pulling in some of its best numbers in its final weeks.

The series follows Bassam "Barry" Al-Fayeed (Adam Rayner, "Hawthorne"), the Americanized younger son of a Middle Eastern dictator — a tyrant, if you will — who has spent the last 20 years avoiding his past. Far from following in his father's footsteps, Barry has built a life for himself as a mildmannered pediatrician living in Pasadena with his American wife, Molly (Jennifer Finnigan, "The Bold and the Beautiful"), and their teenaged children, Sammy (Noah Silver, "The Borgias") and Emma (Anne Winters, "Wicked City").

In the pilot, with his family in tow, Barry reluctantly returns to his war-torn homeland, the fictional nation of Abuddin, for his nephew's wedding, and soon witnesses the brutality of his father's rule and of his heir-apparent older brother, Jamal (Ashraf Barhom, "The Kingdom," 2007).

When their father is killed in the midst of a growing revolu-

Moran Atias as seen in "Tyrant"

tion against the ruling family, the ruthless and unstable Jamal takes his place as president of Abuddin, with his formidable wife, Leila (Moran Atias, "Crash") — who's also an old flame of Barry's — at his side. Realizing that his temperamental brother lacks any sense of justice or morality, Barry, harboring dreams of improving life in his homeland, plots with members of the U.S. government to overthrow Jamal and nip his tyrannical reign in the bud. At the end of season 1, Barry's imprisoned for treason, with his brother put in the difficult position of just what to do with him.

The complicated relationship between the two brothers —

two wildly different people who still have affection for each other despite it all — is a major focus of the series.

"It's deeply complex. It's Cain and Abel stuff," Rayner said in a Collider interview. "They love each other. They hate each other. They rely on each other. They are rivals to each other, politically and sexually. ... They could form an unstoppable alliance or they could tear each other apart."

This leaves that much more up in the air with last season's cliffhanger: Jamal is blasted in a shootout assassination attempt, his fate left uncertain. His death would make the far more benevolent Barry the new president of Abuddin, but it

would be foolish to think that such an eventuality would be met with smooth sailing. If anything, it might just spell more hard times for Barry.

"[The show] puts all of the characters in a position of making devastating choices," Atias said during a visit to "Good Day L.A." "That's what, really, it means to be leaders of a country in the Middle East."

Of course, if Jamal doesn't pull through — and popular opinion is that he won't — a new chief villain will make his or her rise in season 3, as it's foolish to assume that Barry will turn the country around and live out the rest of his days benignly ruling Abuddin unchallenged. Leila, for one, remains a force to

be reckoned with, and while the naive might say that her power dies with her husband, no one who knows the character would assume she would simply step meekly off her pedestal.

And can we talk about Sammy? Many of us are wondering just what the future holds for Barry's rather bratty son. Unlike his sister (whom, it should be noted, we haven't been seeing enough of lately), Sammy is all about his family's position in Abuddin, and far more so after learning of own his gargantuan inheritance. Not only does he admire Jamal's arrogance and sense of privilege, but we all know how well entitled teenage boys with daddy issues behave when they've got millions

of dollars to their name. One season 3 spoiler suggests that Sammy may start to go the way of his iron-fisted uncle, using his father to further his own aims, political and otherwise.

Whatever season 3 has in store, it appears that "Tyrant" has overcome much of its earlier controversy. People don't seem to care much anymore that Barry is played by a decidedly white Brit — or if they do, they're not as loud about it — and arguments about whether the show negatively stereotypes Arabs are far less rampant than they were when the show started.

See how it all plays out when "Tyrant" kicks off its third season Wednesday, July 6, on FX.

'Chopped' tournament heads to California

By Andrew Warren

TV Media

f ever there was an argument about what makes the perfect cooking competition, "Chopped" would have a really strong case.

After 28 regular seasons, the Food Network favorite is showing no signs of slowing down, and its regular special series drive that episode number even higher. At this point, it's official: audiences can't get enough of "Chopped."

'Chopped Grill Masters" first aired in 2012, came back in 2015 and now it's back again for a third tournament, beginning Tuesday, July 5.

This time around, the grill masters are cooking in California's beautiful Napa Valley, at the historic Beringer Vineyards. As in most "Chopped" tournaments, 16 master grillers compete over four episodes (that's four contestants in each episode), with the winners competing against each other in a fifth episode for the smoking hot \$50,000 prize.

Unlike in a regular episode of "Chopped," these master grillers have more than just secret

Ted Allen hosts "Chopped Grill Masters Napa"

basket ingredients and a clock with too little time on it to worry about. They aren't cooking in the beautiful, state-of-the-art "Chopped" kitchen — no, to be a true grill master means

cooking outdoors with charcoal and propane, and at the mercy of whatever Mother Nature decides to throw into the mix.

For regular "Chopped" watchers, though — or even if you've iust caught the occasional episode here and there — the "Grill Masters" tournament is just a playful change of pace without throwing the baby out with the bath water. The grill masters still compete over three rounds, each time having to use a basket containing four ingredients that they must feature in their dish.

Ted Allen still hosts, a panel of culinary experts still judges and the winner of each of the four preliminary rounds still wins \$10,000 cash.

It's not reinventing the wheel, but why should it? If its sheer number of seasons proves anything, it's that "Chopped" is perfect as it is. "Chopped Grill Masters" gives the show a fun

twist without deviating too far from what makes "Chopped" such a prolific favorite.

I Saw the Light

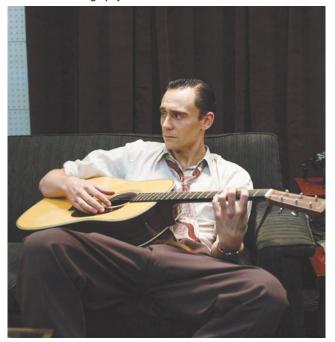

His life may not have been a long one, but country and western singer Hank Williams (Hiddleston) lived it to the fullest. Sitting at the pinnacle of his career in the early 1950s, the young artist is a member of the Grand Ole Opry and has many No. 1 singles. His wife and manager (Olsen), however, is growing increasingly concerned with his alcoholism and abuse of painkillers, and his roving eve for women puts a strain on their mar-

By the Sea

After more than a decade of marriage, American couple Vanessa (Jolie Pitt) and Roland (Pitt) are touring France. When they arrive at a hotel on the coast, Roland, a writer, wants to spend some time there to work on a story.. During their stay, it becomes clear that their marriage isn't a happy one; Vanessa is quiet and withdrawn, while Roland frets that his wife is no longer attracted to him. When they discover that a small hole in the wall of their hotel room lets them spy on the couple staying in the neighboring room, the things that they witness could end up saving their marriage.

Director: Angelina Jolie Pitt. Stars: Angelina Jolie Pitt, Brad Pitt, Mélanie Laurent, Melvil Poupaud, Niels Arestrup, Richard Bohringer. 2015. 122 min. Drama.

BattleBots

6 9 8:00 p.m.

Robots face off in a specially designed arena full of hazards as they try to advance to the finals in a new episode of this action-packed series. Samantha Ponder hosts as homemade robots try to destroy or disable their opponents.

Bones

23 8:00 p.m.

Brennan (Emily Deschanel) and Booth (David Boreanaz) are officially back at their respective positions at the Jeffersonian and the FBI in this rebroadcast. When remains are found at a fish farm, things get exciting for the duo.

THURSDAY PRIME TIME

John Corbett in "Sex&Drugs&Rock&Roll"

Big Brother

4 9:00 p.m.

Cameras capture the houseguests' antics in this new episode featuring host Julie Chen. Now in its 15th season, the popular reality TV series employs 87 HD cameras and more than 100 microphones to record the houseguests' every move.

Sex&Drugs&Rock&Roll

FX 10:00 p.m.

Ava (Elaine Hendrix) encourages Gigi (Elizabeth Gillies) to experience as much as she can while she's still young in this new episode. At the same time, Rehab (John Ales) is approached by a big-time Broadway producer.

Hollywood Q&A

By Adam Thomlison

TV Media

Q: Is "Longmire" season 4 available on DVD?

A: It's been nothing but good news for "Longmire" fans over the past year. The show aired its fourth season on Netflix in September (after it was dropped by original broadcaster A&E), and in October, Netflix announced it was renewing "Longmire" for a fifth season. And just a few weeks ago, the news came out that the fourth season would be available on DVD this September.

The DVD announcement is great news for those who haven't embraced watching TV via the Internet. That group likely includes a number of "Longmire" fans, since the show skews towards older viewers, while Netflix subscribers

have traditionally been younger. This would seem to make the show a bad match for Netflix, but if there's DVD revenue coming in as well (let's not forget that Netflix started as a DVD-rental business), it starts to make sense.

Q: What is happening with the TV show "The Curse of Oak Island" on the History Channel? A: "The Curse of Oak Island" is a show of mysteries: Is the legendary treasure off the coast of Nova Scotia just a centuries-old hoax? Does a seventh person have to die before it's found? Is Rick Lagina's hair naturally a different color than his beard, or does he dye it? Maybe no one else is wondering about that last one, but still, it's fitting that the show's future is itself shrouded in mystery.

Its third season finale aired back in February, and the network hasn't announced a fourth-season renewal yet. All we can do is speculate based on bits of evidence, much like the show's treasure hunters.

The most important factor going in favor of a renewal is the fact that they still haven't found the treasure (sorry to those who haven't seen the third-season finale yet, but if they had found it, this would all be moot). Also in favor is the fact that the show is a hit for History — it's generally one of the most-watched cable shows on its night, and was one of the biggest reality shows on cable this year

STEMMING AN EPIDEMIC

There is an epidemic of opioid-related deaths in this country due to an overopioid reliance on medications. When patients become addicted to these medications but can no longer get prescriptions, many turn to illegal opioids, such as heroin. As a result, there has been a precipitous rise in opioid-related deaths in this country. About 78 Americans die from an opioid overdose daily, according to the Centers for Disease Control and Prospect Street. Prevention (CDC), and the 2000 and 2014. To help stem overdose.

this tide, the CDC has issued new guidelines in the form of 12 recommendations that are principally designed for primary care doctors treating adult patients for chronic pain.

Pharmacists have unique knowledge about the safe and effective use of medications and about the adverse effects resulting from inappropriate use. Such knowledge enables them to play an important role in patient access to opioids, but also opioid drug abuse prevention, education, and For assistance. information, please call PERROTTA'S SUPER DRUG at 978-682-2557. Hillary won four states vesterday to clinch the **Democratic party** nomination. Secretary Clinton is the first female nominee for a major party. Which means she now has the chance to become the second most powerful woman in the world - just behind Beyoncé.

Under Armour yesterday released exclusive photos of the new Curry Two Low. It's a great pair of shoes to own, whether you're a Steph Curry fan or just a middle school lunch lady. I could see these shoes doing very well with fans in Fort Lauderdale. These shoes are so white, they just endorsed Donald Trump.

Late Night With Seth Meyers

Hillary Clinton today responded to her status as the presumptive nominee, calling it a "historic, unprecedented moment." Said Hillary, "Never in my wildest dreams did I think it would take this long."

A group of Bernie Sanders supporters have released a statement saying they plan to write in Sanders' name during the general election because they are "tired of picking the lesser of two evils." That's like a child of divorce being asked if he wants to live with Mom or Dad and writing down "The Rock." Not an option, buddy!

It is being reported that Ivanka Trump is writing a book titled, "Women Who **Work: Rewriting the Rules** of Success." Which is better than the original title, "Help! My Dad's a Nectarine!"

President Obama yesterday called the Denver Broncos one of the greatest defenses of all time. "Wow, thanks!" said the Army.
