

# Receive the Smile of Your Dreams in Just One Day!\*

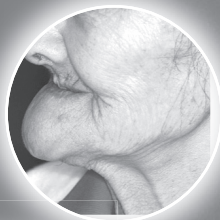

\*For qualified patients

A beautiful, white, natural looking, high functioning smile that will change your life, whether you are replacing a single tooth or all of your teeth!

- Eat the foods you want, not just the ones you can
- Speak & smile confidently
- Reduce the signs of aging
- Enhance your appearance
- Eliminate problems & discomfort caused by poorly fitting dentures or missing teeth

**Actual Patient  
Before**

**Actual Patient  
After**

*Dr. Kaiser & Dr. Sims are highly experienced in the art of creating an amazing smile, just for you!*

**Dental implants are like having real teeth again, giving you your life back! The benefits of the Total Freedom full arch restoration include:**

- 5-6 implants based on your personal needs (competition used only 4)
- Nationally recognized lab technicians with the expertise to get the results you want
- Scientifically proven, state-of-the-art technology supports your new teeth
- An easy to clean, secure, fixed set of teeth on a bar that should last a lifetime
- Less expensive yet much high quality treatment option
