

BUILDING 4

Bridges Preschool Grand Opening/Early Childhood Professions
Celebrate the great partnership with Bridges Preschool and Early Childhood at their grand opening celebration! Meet & visit with characters from your favorite children's books and participate in hands-on activities, arts and crafts.

BUILDING 6

HVAC

Here's your chance to learn how your A/C and heater work with an interactive demo. Enter a chance to win a FREE A/C tune-up from Chas Roberts or Donely Services every hour!

Construction

Build it and they will come! Check out the student displays of electrical work, drywall and more! While there, check out the fork lift from Okland Construction, meet community college and industry representatives.

BUILDING 7

Precision Manufacturing Technology

Watch students demonstrate their skills on the lathes and mills and learn how precision parts are manufactured and inspected.

BUILDING 8

Welding

Did you know there is an "art" to welding? View some of our beautiful student projects, large and small, state-of-the-art plasma machine automation and demos by Phoenix Welding.

BUILDING 9

Automotive Technology

Get an up-close look at some of the hottest new and classic cars and motorcycles on the road at the Auto Show. While in the area, visit our shop and classrooms to see student demonstrations.

BUILDING 10

Collision Repair Technology

Autos and art combine in this unique classroom! Take a moment to check out student work, stellar remodeled vehicles and meet industry representatives from companies like Leading Edge Auto Refinishes.

BUILDING 11

Law Enforcement

Meet military and public safety officials and their mascots, see vehicles and aircraft, and learn what it takes to work in law enforcement or security. Don't miss the helicopter display by the MCSO Sky Rangers Aviation Posse near Building 12.

Firefighting

Grab your camera and come take a picture with Sparky, the fire prevention dog, or try on a pair of turnouts! Students will also be demonstrating how to put out a car fire and visitors can see the EVIT and Rural/Metro & City of Mesa fire engines before they are featured in the parade.

BUILDING TWELVE & PORTABLES

Cosmetology

Need a hair cut or new look for the day? Stop by EVIT's award-winning Cosmetology program and get a haircut or quick style for just \$5!

Aesthetics

Learn about the art of skincare and watch students perform facial demonstrations.

BUILDING 14 & 15

In fall 2012, Adelante Healthcare opened a public health clinic on the EVIT campus. Stop by the lobby of Building 14 to learn how attending EVIT can help you get trained for entry-level jobs in health care.

EMT

Learn what it takes to be a first responder and check out the fully-stocked EVIT Ambulance recently donated by PMT in front of the Health Science Center.

Human Anatomy & Physiology (MC10)

In the main lobby of Building 14, challenge yourself to health trivia with EVIT students.

Allied Health

Check out the diverse set of skills and experiences you can gain in Allied Health from caring for animals to working in a pharmacy. Play the "Pill Counting" game with Pharmacy Tech students and meeting industry reps.

Dental Assistant

Say "Ahhh!" Tour the dental assistant oral health fair and learn about how oral hygiene like quick tips how prevent cavities and taking care of your teeth as you get older.

Massage Therapy

What could be better than a foot massage after walking around the EVIT Expo? Stop by for a reflexology session in the massage clinic located in Building 15. Chair massages are also available in Building 1.

Medical Assistant

Burn off a few calories before lunch with a round of "Just Dance" and make sure your pre- and post-exercise blood pressure vitals are within the healthy range.

Nursing Assistant

Learn about the role of nursing assistants and get your vitals checked by students.

Sterile Processing Service (SPS)

Come and see the new state-of-the-art "dirty" and "clean" lab rooms where students learn to sterilize and package medical equipment and supplies for use in surgeries and other medical procedures.

BUILDING 16

Adult Education Center

The EVIT Adult Education Center has information for the adult student that is looking to get a skill to start a new career or continuing education for their present career.

BUILDING 17

3D Printer

Check out the amazing 3D printer that will help with the making of the Great Globe Project. For more information about the Great Globe project, visit www.thegreatglobe.com

PARTNERING AGENCIES

Fresh Start (Building G)

Visit one of our partner agencies dedicated to empowering women by offering quality services to women seeking self-improvement. The center offers a variety of programs and services, including self-esteem enhancement, education services, mentoring, career services and family law support services.
