Irlyn Gallifant

## Winery 101

**WINERY TASTING ROOM**

Winery 101 is a family owned and operated tasting room in Peoria, AZ and Cottonwood, AZ. Business Owners and wine makers, Irlyn & Gavin Gallifant, are long time Peoria residents and graduates from Peoria High School. Irlyn, class of '78 and a grade ahead, had not met Gavin in school. They met at a Class Reunion in 2005 and were married 7 months later. Between them they have 7 kids, all grown and living in the West Valley. With family, friends and a deep love for their community they decided to bring their passion for wine making to become Peoria's first Winery (101). "We produce exceptional wines from grapes grown right here in Arizona. You will be proud to share our wines with your friends and family!"

During any weekend wine down, you will likely be served by the owners themselves, their family members or lead server, Reuben. Wine makers and Owners, Irlyn and Gavin Gallifant started making wines in 2008. They now have over 20 wine varietals and two lines of wine. Gallifant Cellars wines are single varietal, exceptionally handcrafted with a taste of the Old World. South-Paw Cellars (given the name because they are both left handed) are blends with a flare for fun and all that Arizona has to offer!

Come in to taste their family of wines and get to know the family.
