

# NATIONAL DISABILITY EMPLOYMENT AWARENESS

## *Workability*

is an *Employment-*

*Training Program* for

high school students with learning

disabilities. Selma High and Heartland

Continuation special education students

work for businesses in the community and

gain valuable job training and experience at no

cost to the employer. At the end of their training period,

many of our students are hired. We thank our business partners for their efforts in

making a difference in the lives of our young people.

**WORKABILITY SALUTES EMPLOYERS WHO HAVE  
PARTICIPATED IN OUR EMPLOYMENT-TRAINING PROGRAM  
OVER THE PAST 18 YEARS.**
