## Help future graduates by donating to Newspapers In Education

*Last year the NIE program provided over 240,000 newspapers to 185 area classrooms.*

Teachers use the paper as a learning tool for current events, math, language arts, science and English. We are currently seeking sponsors for the 2011-2012 school year. If you are willing to invest in their future, contact the NIE department at 421-7913 or send an email to: [sue.zientara@lee.net](mailto:sue.zientara@lee.net) for more information.
