Why do you want to serve on the American Fork Youth Council? (use back if needed)

During the year, the youth council meets twice a month on the 1st and 3rd Tuesdays from 5:30 to 6:30. You will be expected to attend these meetings whenever possible. In addition, there are mandatory service projects and activities. The approximate time commitment is two to three hours per month.

Please list some ideas you have that the youth council could do in improving American Fork and being of service to the community.
