Dear Mr. Gimbel:

Thank you for your letter regarding the Menorah Display. Yes we would be happy to display the Menorah celebrating "The Eight Days of Chanukah" here at the Courthouse. We also received many positive thank you messages for the beautiful menorah display and information table with your magazine explaining what Chanukah represents.

If you would please have the Representative from Lubavitch of Wisconsin contact my secretary, Dorothy Moore, 278-4346 / dmoore2@milwcnty.com to set up the Menorah and lighting schedule. Dorothy worked with Rabbi Yisroel Shmotkin last year and is happy to assist in setup and scheduling the lighting with our facilities department.

Thank you again and Molotov.

Sincerely

Scott Walker
