Here is your answer to the age-old question, "Where do we go to (fill in the blank)?" You'll find the answers inside the 2011 edition of the Star City Sports SPORTS PAGES Directory.

It's a compendium of what's available, where and from whom. From baseball to billiards, football to figure skating, if it's in the Lincoln area, you'll find it in the SPORTS PAGES Directory. You'll want to keep this publication in an easy-to-find place and refer to it often.

If you're one of our many loyal readers who have picked up any of our previous directories, you're aware of the value of this guide and its long shelf life. If you're a SPORTS PAGES newcomer, welcome aboard.

The SPORTS PAGES Directory is an informative reference guide, a summary of who's who in Sports and Fitness in the Capital City.

Have a penchant for pool? Hot for health clubs? A desire for disc golf or a dance studio? You've come to the right place.

If you can't find it in the Capital City, chances are it doesn't exist. And if it does exist, the odds are it appears inside this edition.

We're delighted you have chosen to make our publication a part of your lifestyle. Additional copies of the Star City Sports SPORTS PAGES Directory are available in Lincoln and 23 surrounding communities at free rack locations. You can also access all of the SPORT PAGES directory listings on our popular website www.MyStarCitySports.com.

If you are a member of a club, organization or business and didn't find your listing in this year's SPORTS PAGES, please give us a call and we would be happy to include you. The FREE listing form is on page 4 of this directory.

It's the perfect resource as you answer the age-old question: Where do we go? Who do we call?

TAKE YOUR GAME TO THE NEXT LEVEL

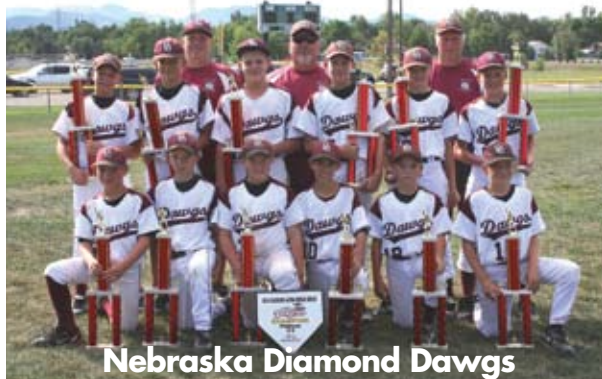

The Nebraska Diamond Dawgs select baseball organization for ages 8 through 14 has quickly become one of Nebraska's elite youth select baseball programs.

The Diamond Dawgs coaching staff is focused on teaching the proper fundamentals and instilling sound mechanics that prepare players for high school and college

competition. The Diamond Dawgs provide opportunities to develop players' skills and to instill sportsmanship, honesty and integrity through their baseball experience in a highly competitive environment.

Our staff of coaches includes former professional players, college and high school coaches as counselors who further develop our coaches and players. They focus on development of individual skills and abilities, and build players' character on and off the field, developing life-long traits for each player.

LADY DOMINATORS

SELECT SOFTBALL 8U • 10U • 12U • 14U

The Lincoln Dominators, known for their very successful baseball program, has taken that history and foundation to start a successful select softball program. In 2011, the Lady Dominators will be fielding teams in the 8U, 10U, 12U, and 14U. For the 2012 season, they will be adding 9U, 11U, 13U and 15U for a total of 8 teams.

The Lady Dominators have experienced coaches that emphasize the fundamentals of softball by instilling the proper way to throw, catch, hit and run the bases.

The Lady Dominators play in the LYSA (Lancaster Youth Softball Association) at the Doris Bair Softball Complex and in tournaments during the season. Each of our age groups will have a reasonable game schedule, with the number of games depending on the age group. Older teams will play more games than the younger age groups.

The Dominators offer many fund-raising opportunities for the kids and families to help support player fees. In many cases 100% of the players' fees and travel expenses are covered. An annual Spring Training Soup Supper has been very successful, with the Dominators serving more than 1,000 people each year.
