Press Release

Release Date/Time: December 19, 2012 @ 2:00 pm

Contact: LPD Sgt. Sierra Brucia @ (209)329-3481

Details: On 12/18/12 Lodi Police detectives and detectives with DELTA RATT (auto theft task force) served simultaneous search warrants at the "Web Stop" located at 920 S. Cherokee Lane suite K, Lodi and a residence in the 3100 block of Sunflower Drive, Antioch.

The warrants were based on an on-going investigation involving illegal gambling. The gambling was conducted on 42 computers within the business, where patrons would wager on an electronic "slot machine style" computer program. All of the computers and several printers were seized from the business.

Ten people were arrested inside the business. Two were employees and the rest were patrons who were in possession of drug paraphernalia or had outstanding warrants for their arrest. The owner of the establishment, Patricia Simmons, was interviewed and the potential charges will be reviewed by the San Joaquin County District Attorney's Office.
