Quality Repairs for Your Vehicle
46 years in Business - 2 Generations

Lito Auto Body Inc. repairs the vehicle to your policy specifications. We guarantee it and **your insurance company guarantees us.**

Lito Auto Body Inc. has been serving the Napa Valley with the highest quality of automotive repairs for over 46 years. We proudly serve the Napa community by working closely with our customers and their insurance companies to get you and your vehicle back to where it needs to be – safely on the road!

Insurance companies perform an extensive analysis of all the shops available in a particular area. Your insurance company may help guide you to which shops will best serve you in the stressful time of dealing with an accident. Working closely with your insurance company makes sure the repair process goes smoothly to relieve you of this stress. Although it is always your choice of where you want your vehicle repaired, many insurance companies choose the shops they like to work with because these shops have superb customer service, produce top quality repairs, and offer a lifetime warranty. **We are that shop.**

Lito Auto Body Inc., is a direct repair shop with many insurance companies. We negotiate our rates to keep your cost down, while providing you with the highest quality of repairs. You only pay your deductible, we guarantee it!!

We also have Hunter Alignment
We have certified technicians for all makes and models Domestic & Import
We support Napa – Thank you for supporting us!
