THE BERNARDSVILLE CHAMBER OF COMMERCE

BUSINESSES COMMITTED TO EXCELLENCE AND SERVICE

The Bernardsville Chamber of Commerce is made up of more than 140 businesses located in Bernardsville and its surrounding shopping areas. These businesses have all become Chamber members as they are all committed to excellence in providing to our community, the very best they have to offer.

Please view our website at www.bvillechamber.com to view the wonderful array of our Chamber businesses that range from art galleries, restaurants, retailers of all varieties and many different services. Indeed, one needs to go no further than their own backyard for many of their shopping, dining and professional needs.

We are proud to announce that we will once again be holding our hugely popular "Sounds around Town" scheduled for Friday, June 6 with a rain date of Friday, June 13. The event will feature music in various downtown sites as well as many of our businesses offering free refreshments, discounts and free raffles. So don't miss out on what is expected to be loads of fun.

We are also quite proud to announce that we will hold our second "A Taste of

Bernardsville and Beyond" on Monday, October 6 at the Olde Mill Inn, featuring over 20 restaurants participating, vendors and so much more. And we are proud to announce that not only will the net proceeds be donated to The Bernardsville Fire and Police Departments but part of the proceeds will go to help fund an American Dream Wedding to be granted to a qualified veteran.

CAESAR V. MISTRETTA

Along with some net proceeds from this event and the generosity of many of our Chambers members, we hope to be able to fund a wonderful wedding for the winner of our contest, which will be announced in the near future. Our theme for our second Taste of Bernardsville and Beyond, "Our American Heroes" is bound to be a huge success. Watch for full details in future issues.

In closing, do help us to be able to offer these fun events and help us to raise funds for these worthy organizations by continuing to support your local Chamber businesses.

CAESAR V. MISTRETTA

The Bernardsville Chamber of Commerce*

CHARTER DAY IN BASKING RIDGE

A little rain didn't stop residents from coming out for Charter Day in Basking Ridge on Saturday, May 18. The Morath family of Basking Ridge was well prepared for the inclement weather. In front, from left, are children Lauren, Cate, Max and Ryan, with dad, Chris Moran, and mom, Patti, in the back. This year's Charter Day is scheduled for Saturday, May 17.

The J.M. Stringer Gallery is located at 21 Claremont Road in Bernardsville.

56 DEGREE WINE

When we first opened our humble shop almost 10 years ago, there were many who expressed grave doubts, frequently asking “How will you compete with the big stores?” Our answer to that question is the same today as it was then: offer excellent service and expert down to earth advice, coupled with a great selection of small growers who hand craft pure, natural, great tasting wines that are the best expressions of the vineyards and small, family owned wineries where they are made.

We personally select every bottle of wine we carry, not by its score or rating in some impersonal publication, but by tasting thousands of wines each year and choosing only the wines those we feel offer the best value and quality.

We travel and taste, and spend time in the vineyards and wineries and get to know many of our growers on a personal level. And while we carry wines in all price ranges, small wineries can often mean small prices too!

We have wines starting at under \$10 per bottle, and hundreds of wines priced under \$25, all chosen with the same care as our more expensive offerings. In the end, it's

more work, (but fun!) and worth every minute as we feel that these family owned farms are able to make wines in a way that the big commercial brands can't match.

Since we've moved to our new location at 25 Claremont Road, we have also expanded our selections to include Artisanal Cheeses, Spirits and craft beers, all selected with the same care and attention to quality and value.

We taste wines every Saturday and Sunday in the shop, and host a number of tastings, dinners and events throughout the year. Stop in the shop or sign up for our email newsletter to keep up with all of our events and new wine arrivals.

56 Degree Wine, located at 25 Claremont Road, Bernardsville, can be reached at 908-953-0900 or www.56degrewine.com.

THE BOOKWORM

The Bookworm at 99 Claremont Road in Bernardsville is a general bookstore featuring books for all ages.

The staff members are avid readers and book lovers who would be pleased to help you find the perfect book.

The Bookworm has new books arriving daily. A spring favorite this year is “The Storied Life of A. J. Fikrey” by Gabrielle Zevin. It's a fun celebration of books and the people who write them, sell them, and read them. David Baldacci's new thriller, “The Target,” comes out next week.

“The Collector” is Nora Roberts' latest romantic suspense novel.

Let's not forget that April is Poetry Month.

“Poems That Make Grown Men Cry: 100 Men on the Words that Move Them” is a fascinating new anthology.

For young adults, we have the new “Minecraft Handbook,” and “The Fault in Our Stars” by John Greene is now available in paperback.

Popular author Brandon Mull's new series, “The Five Kingdoms,” looks exciting.

ERIC ROOS ALLSTATE INSURANCE

Insurance is unlike any other product out there – you pay for it and hope you never have to use it. And that makes paying more than you need to that much more uncomfortable.

With a policy from Allstate, you can help keep your insurance costs low with the wide variety of discounts we offer. Keep in mind, not all discounts are available in every state. The best way to get all that you qualify for is to get an insurance quote specific to Basking Ridge.

You can get a rough “ballpark” insurance quote from many companies online, but talking with an agent allows you to ask questions and get a quote for coverage that matters most to you. An agent can prepare a quote that details the coverage, deductibles (your portion of a loss) and cost (premium) of your insurance policy.

I’m proud to work with a financially sound and stable company like Allstate. They’ve been protecting families and their assets for over 80 years. Now, they offer financial and life insurance solutions. These products, combined with years of experience, can help us to prepare a strategy that meets your needs.

Give us a call or better yet stop in person – Are you in Good Hands?

THE FABRIC YARD

The Fabric Yard is conveniently located in downtown Basking Ridge, in the historic old firehouse, across from the Bernards Township Library. Customers love the fact that this small in-town shop sells home decorating fabrics, both ‘off the bolt’ and by special order. There are a variety of sample window treatments in the shop to help you visualize styles and trim options. The shop can also fabricate custom bedding, tablecloths, pillows and other decorative accessories. The Fabric Yard is a Hunter Douglas Priotiry Dealer, and sells the complete Hunter Douglas product line, including Plantation Shutters, blinds and shades. In addition, the shop has several lines of custom furniture, and also provides re-upholstery services. Owners Kathy Scott and Pat Reiley and their staff, are there to assist your with all your decorating needs. No project is too large or too small. The Fabric Yard has become an institution in Basking Ridge, widely recognized for creative solutions, attention to detail, and most importantly, excellent, friendly customer service.

The Fabric Yard is located at 55 South Maple Avenue in Basking Ridge and can be reached at 908-766-5511.

Gladstone Country House celebrating 14 years in business

It seems like Gladstone Country House just opened! But it's celebrating its 14th year in business. In that relatively short span of years the furniture store has seen a lot of changes. The entire furniture industry changed from a large selection of American made brands to furniture primarily imported from Asia.

"We made a decision about 10 years ago to 'put our money where our mouths are' and only buy and sell furniture made in America that is hand crafted from solid wood. Our sofa and chair makers also utilize solid maple frames and traditional eight-way hand tied springs to create lasting comfort. With hundreds of styles and more than 1,500 fabrics and leathers to choose from it's hard not to find the right piece for your home.

"In our view that was a wise decision. Carrying solid wood furniture from American makers enables us to sell high quality pieces made to last generations. We love making our customers happy and we're particularly pleased when we see a familiar face coming in for more new pieces or to bring in a friend or two when they need new furniture as well. Watching our customers children grow up has brought us a special joy over the years.

"We look forward to helping people fill their homes with beautiful, comfortable and functional furniture. From a traditional home to a more modern look we are happy to help." The store is located at 230 Main St., Gladstone.

5TH 'WINGS OF HOPE' EVENT COMING JUNE 7

The fifth annual Wings of Hope event, sponsored by the Cancer Support Community Central New Jersey, will be held on Saturday, June 7, at 3 Crossroads Drive, Bedminster Township.

Wings of Hope is a free event open to the public in honor of National Cancer Survivors Day®. The day is a celebration for cancer survivors, an inspiration for those just beginning their cancer journey, a gathering of support for all those affected by cancer and an outreach to the Central New Jersey community.

The event culminates in the release of 144 majestic monarch butterflies to symbolize the "Wings of Hope."

Just as the butterfly is a symbol of transformation, CSCCNJ strives to provide renewed purpose and hope in the lives of their participants.

CSCCNJ also presents the Dawn C. Peragallo Spirit of Courage award at Wings of Hope.

The award's namesake, Dawn, was instrumental in starting the Kids Connect/Parents Connect program for families affected by cancer. The award goes to someone who has used their cancer experience to impact the lives of others affected by the disease.

This year the award will be presented to Diane Naar, the Executive Director of the Jewish Federation of Somerset, Hunterdon and Warren counties.

Diane has spent her career in human service provision and management, and has worked at the non-profit, municipal, county, state and federal levels, most recently as a Congressional District Director.

After Diane's diagnosis with cancer years ago, she clearly understood the need for a comprehensive range of services, which did not exist locally, for people and their families who were facing this disease.

Although she received outstanding medical care, and was working in the social services field, she was unable to obtain the support, education, assistance and understanding that must be a part of overall care. She learned about a grassroots effort to begin to create what the Cancer Support Community is today, and got involved as a founding board member.

Diane volunteers on the Leadership Council with CSCCNJ and has provided lunchtime discussion groups for newly diagnosed participants on coping skills. She has also helped with fund raising efforts through the Women's Philanthropy Division of the Jewish Federation.

One of her greatest joys is coming to the Cancer Support Community facility and hearing how the program has become a crucial part of the care continuum for the participants. All of the programs and services she needed, when she and her family were facing this challenge, are now being provided in an amazingly warm and caring facility by outstanding professionals at no charge.

In addition to the award, Wings of Hope will also include the Walk for Hope, a one mile walk starting at Cancer Support Community on the morning of the event. Participants can walk at their own pace, and t-shirts will be given to all pre-regis-

Attendees at the 2013 Wings of Hope Celebration kick off the event with a short Walk for Hope under the balloon arch at Cancer Support Community Central New Jersey in Bedminster.

Madelyn Bruner, 3, of Whitehouse Station, makes a new friend with a butterfly released during the Wings of Hope event in 2013. Dozens of monarchs are released as part of the celebration in honor of National Cancer Survivors Day®. This year's event will take place on Saturday, June 7.

tered participants; pre-registration by May 5 guarantees a t-shirt.

Registration is \$20 per adult, \$15 per student, \$10 per child, and children under five

years old are free. A family rate for \$50 is also available (two adults and two children t-shirts will be given).

Attendees can also purchase handcrafted butterflies. For a donation of \$10 (small) or \$25 (large) the name of a loved one(s) will be inscribed on individual paper butterflies which will be attached to flowing fabric proudly displayed at the event. These butterflies will be available to be taken home.

In addition to the butterfly release and walk, children of all ages can participate in a drumming circle, bubble blowing, craft-

ing, as well as face painting. These community activities are free of charge. A basket auction will also be offered, all proceeds going to support CSCCNJ's free program of support for all those affected by cancer in Central New Jersey.

For more information about Cancer Support Community Central New Jersey and/or Wings of Hope, visit www.cancersupportcnj.org or call (908) 658-5400.

This free community event will be held on Saturday, June 7, with the walk registration beginning at 9 a.m. at CSCCNJ, 3 Crossroads Drive, Bedminster.

Our mission is to ensure that all people impacted by cancer are empowered by knowledge, strengthened by action & sustained by community, through FREE professionally-led support groups, education & information, tools for healthy living & techniques to reduce stress of the mind and body.

We serve individuals with cancer, their family members & friends.
So that no one faces cancer alone. ®
