

KEMPO Jujutsu

MARTIAL ARTS ACADEMY

Building Families. Improving Lives.

Kempo Jujutsu Martial Arts Academy is not just another martial arts school. After 18 amazing years, we have decidedly become a place to bring families together and improve lives. We teach people how to not only reach for their goals, but how to achieve them. We excel at teaching: leadership, self-improvement, goal setting, family togetherness, and perseverance. These are just a few of the many benefits we do our best to give you. We do all of this while you learn a martial way of defense that has nothing to do with competition or "sport fighting" and everything to do with developing you into the type of person you want to be.
