

Halloween Apps, ranked by Mobilewalla

Make this your most creative Halloween ever by using apps that are chock-full of ideas. The holiday festivities can be downloaded on your phone: new ways to carve pumpkins, trick-or-treat or make scary masks. Even Angry Birds is in the game, with a Halloween theme of ghouls and goblins.

Halloween—Apple

Halloween! (Free) - A handy app packed with ringtones, music, a scary soundboard and costume ideas to help make this Halloween enjoyable. (Mobilewalla Score: 92/100)

Carve It! Pumpkin Carving (\$0.99) - A virtual pumpkin-carving app that is perfect for keeping younger children busy and engaged. (Score: 80/100)

ZombieBooth: 3D Zombifier (\$0.99) - “Zombiefies” any portrait taken with your iPhone. (Score: 80/100)

Angry Birds Seasons (\$0.99) - The classic runaway hit, complete with Halloween themes and levels. (Score: 94/100)

100 Horror Stories, Sounds, and Scares (\$0.99) - Tell scary stories, complete with spooky sound effects, this Halloween. Even includes fun and safe Halloween pranks to play on the kids. (Score: 82/100)

Halloween—Android
