

No recovery in A.C.

Knowing what you know now, would you vote to allow casinos?

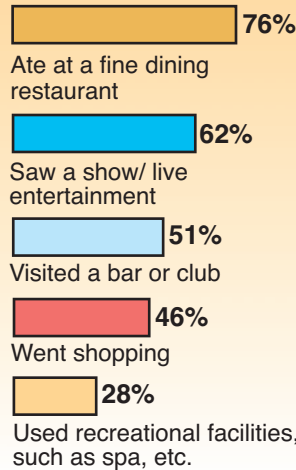

Would you say that the impact of casinos on your community has been positive or negative?

A special section of the American Gaming Association report featured a poll of elected officials and civic leaders in casino markets throughout the U.S. According to the results, community leaders believe casinos have delivered on their promises of jobs, economic development and tax revenue.

When you visited a casino this past year, in what other activities did you participate?

City's casinos aren't following the rest of the nation's out of slump
