## Help For Homeowners In Foreclosure.

New York State Law requires that we send you this notice about the foreclosure process. Please read it carefully. Mortgage foreclosure is a complex process. Some people may approach you about "saving" your home. You should be extremely careful about any such promises. The State encourages you to become informed about your options in foreclosure. There are government agencies, legal aid entities and other non-profit organizations that you may contact for information about foreclosure while you are working with your lender during this process. To locate an entity near you, you may call the toll-free helpline maintained by the New York State Banking Department at 1-877-BANKNYS (1-877-226-5697) or visit the Department's website at [www.banking.state.ny.us](http://www.banking.state.ny.us). The State does not guarantee the advice of these agencies.
