

The Port City Pearl Women's Babrbershop Chorus has been in existence over 30 years, chartered in 1982

Four voice parts make up the chorus. These are: lead, which is the melody line; tenor, the high part above the melody; bass, the lowest notes; and baritone, the notes that are usually below the melody line.

It is different from any other kind of choral or group singing. Barbershop is sung in a chorus or in a quartet. Members learn vocal production and music, as well as choreography, stage production, costuming, makeup and much more.

The Port City Pearl Chorus rehearsals are Monday evenings from 7-9:30. Membership is open to all women who love to sing, perform, and build friendships. You do not need to know how to read music as songs are taught during rehearsals.

If you would like to see what barbershop singing is all about, please join us. Our rehearsal location is at the Welch Apartment Building (in lobby), 220 Iowa Avenue, in Muscatine.

Darlene, Piano and Vocal

Sponsored by Acri Company

Darlene Breuwet has made a life and career of music, entertaining the Quad Cities and surrounding areas for 40+ years. Darlene joined the Ken Paulsen Orchestra as a vocalist in 1975 and in 1989 her all female quartet, the Sweet Adelines, were added to the mix. Today she still performs vocals with the Orchestra and plays the piano.

Admission to the luncheon is free. A limited number of free lunch tickets are available at the door, but a lunch ticket is not required to enjoy the free entertainment at noon.
