**Old Channel Trail**

**231-894-5076**

Old Channel Trail at Hancock.  
4 miles west of Montague.

Designed by renowned golf course architect Robert Bruce Harris, The Woods was built in 1926. The Woods features Scottish-style bunkers with native Michigan grasses and many stately, tall trees - many now more than 3/4 of a century old.

## THE MEADOW

The Meadow Nine is typical of many courses built in the 1960's, featuring park-like spaciousness with rolling greens and wide fairways. Along with a spectacular view of Lake Michigan, you can enjoy the beautiful, mature trees as you wind your way around this beautiful nine. The Meadow was designed by W. Bruce Matthews and opened for play in 1967.

## THE VALLEY

The Valley Nine winds around and across a deep, natural ravine and presents a formidable challenge from the any set of tees. Deer graze along the evergreens, and you may spot wild birds along the water hazards. Designed by Jerry Matthews, the Valley is our newest nine. It opened for play in 1995.
