Thank You for Selecting the Readers' Choice Winners.

Readers,

I am pleased to bring to you the 2015 Star Beacon Readers' Choice winners. The award winning businesses within these pages have been chosen by you, our loyal readers, as the best of the best in their categories. It is our honor to bring the results to you today.

As this was the first Readers' Choice we have done in over a decade we were not sure what to expect. Wow! Over 1000 individuals submitted ballots to select these winning organizations. Due to this overwhelming response it took us quite a bit longer to check and recheck the results. The recognition of these businesses and the continued relevance of the Star Beacon would not be possible without your interest and support.

On behalf of the winners and the entire staff of the Star Beacon, I thank you for your participation and support. Both are truly appreciated by everyone involved.

Sincerely,

Jamie Beacom

KIDS ONLY

THANK YOU FOR CHOOSING KIDS ONLY AS ASHTABULA COUNTY'S BEST CHILDCARE CENTERS!
 We will continue to work hard and provide the very best care for our Kids Only Family!

"The facility is the best in the area. I loved the serious attention the administration pays to hiring a well educated and loving staff. I never worry about my kids when they are at Kids Only and that is worth a lot to me"...

(Danielle Wisner-Cline)

"Our children were enrolled at another center. We switched because we live in the Buckeye District. Although I enjoyed the other center, I wish I had made the switch sooner. Kids Only offers great educational opportunities, a very personal and hands on, caring staff. I highly recommend Kids Only"...

(Jennifer Hart)

"We used a different center and were not satisfied. We toured Kids Only and it was very clean and all the staff was very welcoming. I feel safe and never worry while my children are at Kids Only. The staff is great!"

(Alyssa Willm)

"The curriculum and teachers take creative approaches to learning. My child is happy and excited to attend"...

(Beverly Worthington)

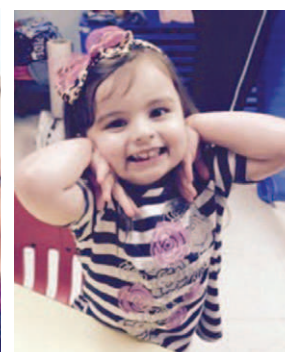

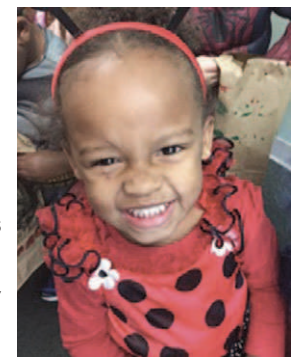

"Kids Only has the nicest facility. We appreciate the fact that our girls have lunch and healthy snacks every day. The staff is absolutely wonderful! Our preschool daughter has made obvious leaps and bounds in reading readiness since enrolling!"

(Jackie & Mark Allenbaugh)

"We chose Kids Only because of their reputation - even people whose children no longer attend speak positively about their experiences. Kids Only's long and consistent history is important to us"

(Lisa Demshar)

BEST PIZZA

Covered Bridge

Bj's BeachHouse

A Note from Lenore...

I want to thank our clients for voting BJ's the 2015 readers choice award and will continue to work hard. As an entrepreneur in 1993, I admit it was quite scary. Do I fail or do I succeed, it was all up to me. Consulting women in Business, extensive research, creating a business plan and having total support from family I took a leap of faith. My goals were to be the best in customer service as I could be with practicing my golden rule "the customer is always first."

"Amazing how just a kind smile or show of genuine concern can brighten a person's day.

I am blessed to have devoted friends by my side and so many wonderful clients from our community. Sometimes I hear grumbling about Ashtabula and I just want to tell them to stop by BJ's because we have the best of the best and I'm proud to say I know them all!. I have laughed and cried with my clients, shared good times and bad. We've shared weddings, graduations, children and grandchildren. We've been through loss and tragedy. We've shared it all.

As a part of our community I believe in giving back. We've had fund-raisers for Homesafe, Children Services, AAPL, Birthcare, and Stuff the Bus. We've supported local law enforcements, fire departments, churches, schools, sports leagues, and our YMCA. We donate hundreds of gift certificates a year.

Thank You all for supporting my hand crafted gift shop every year. I am a firm believer in shopping local, together we can make a difference. Thank You for your continued support as I couldn't do it without You!. Thank You for 23 wonderful years!

BEST HOSPITAL

Ashtabula County Medical Center

We're honored to be *your* choice.

Ashtabula County Medical Center. 2015 Star Beacon Readers' Choice.

ACMC received a lot of recognition this year.

- **Five Star Patient Safety Excellence** from Healthgrades
- **An "A" for hospital safety** from The Leapfrog Group
- **Top Performer** from The Joint Commission
- **100 Safe Hospitals** from Safe Care Group

None of those recognitions means as much as being recognized by you — the patients we have the privilege to care for — as the 2015 Star Beacon Readers' Choice.

The need for high quality care in Ashtabula County is as strong today as it was 111 years ago when community members came together to build a hospital after the Great Train Disaster. Our commitment to our patients and our communities is also as strong today as it was so many years ago.

No one matters more to us than the people we serve. And nothing means more to us than being **your** choice for healthcare in Ashtabula County.
