# Quotes

- Service

"The true leader serves. Serves people. Serves their best interests, and in doing so will not always be popular, may not always impress. But because true leaders are motivated by loving concern than a desire for personal glory, they are willing to pay the price."

Author, Eugene B. Habecker

- Sacrifice

Human progress is neither automatic nor inevitable... Every step toward the goal of justice requires sacrifice, suffering, and struggle; the tireless exertions and passionate concern of dedicated individuals.

Activist, Martin Luther King, Jr.

# Quotes

- Patriotism

“A thoughtful mind, when it sees a Nation's flag, sees not the flag only, but the Nation itself; and whatever may be its symbols, its insignia, he reads chiefly in the flag the Government, the principles, the truths, the history which belongs to the Nation that sets it forth.”

Social reformer, Henry Ward Beecher

- Freedom

For to be free is not merely to cast off one's chains, but to live in a way that respects and enhances the freedom of others.

Revolutionary, Nelson Mandela
