Three teens arrested in armed robbery at area home
 By Katie Weidenboerner
 katiw@thecourierexpress.com

ST. MARYS — Two 17-year-old St. Marys teens have been jailed for entering a South St. Marys Street home and holding a juvenile inside at gunpoint in an attempt to get money from a safe. St. Marys police were called to 377 South St. Marys St. around 5 p.m. Thursday for a report of a home invasion. The victim told police that three juveniles in masks and gloves entered the rear door of the home. One of the masked teens went into the victim's bedroom and ordered him to go downstairs to open a safe in the living room. The victim didn't know the combination to the safe, so he was ordered to the floor at gunpoint while the intruders searched the residence for something of value. The trio ended up stealing a ceramic bank with

Fire at Toby Terrace in Brockway

Firefighters work to vent smoke from one of the buildings at Toby Terrace along 7th Avenue, Brockway. Firefighters from six area fire companies responded to the fire that injured a tenant and a firefighter. Residents have not returned to the building. (Photo by Paul A. Wilson)

Two people injured in fire, residents evacuated

Brockway

BROCKWAY — A woman and a Brockway firefighter were injured Friday night in a fire at Toby Terrace in Brockway. The blaze caused the evacuation of approximately 20 residents of the building, according to Brockway Fire Chief Jeff Fustine. He said the fire broke out at 9:47 p.m. in an apartment on the second floor of Building B of Toby Terrace, located along Seventh Avenue. According to the state police, the fire damaged the structure and

contents of an apartment occupied by Cynthia J. Cann, 53. Fustine said she was flown by medical helicopter to a Pittsburgh hospital for smoke inhalation. In addition, a Brockway firefighter was taken to Penn Highlands DuBois for smoke inhalation, he said. Fustine said the firefighter was later released. The fire chief said the people who were evacuated were taken to the Presbyterian Church. He added that they were then going to go to other locations, such as the homes

of family members, for the night. Fustine said the fire was contained to the apartment where it occurred, and everything in the apartment, such as walls and furniture, was damaged. He said about 70 firefighters were fighting the blaze. A ladder from a fire truck was extended to the second floor windows, which were broken out. The fire chief said the residents had to be evacuated due to the electric being turned off in the wake of the fire. One resident who was evacuated, Virginia Crowell, said, "it was frightening." She said the smoke

was thick, black and heavy. Also, she said that she was going to the Presbyterian Church, where she believed the Red Cross would be assisting the evacuees. She commended the firefighters, who she said were "wonderful" in responding to the blaze. Across the street, the Sons of Italy allowed the firefighters to warm up inside and get some coffee. Fustine said the fire marshal investigated Saturday. Police said the cause of the fire has not yet been determined and the investigation is ongoing.
