## President's letter

I would like to start by saying that I hope all of our chamber members have been very successful in the past year and that at least some of that success was because of your chamber membership and the fact that your business was listed in The Lincoln City Chamber of Commerce Member Directory and Community Guide.

Now with the 2011-2012 Chamber Directory coming out, I encourage the community and business members to use the directory listing and do business with each other to keep the money local.

If this is your first year being listed in this publication, Welcome! I'll be excited to hear how your business benefits from your listing.

I would also like to thank the News Guard for working so hard to produce and distribute such a great publication.

Thank you to all of our Chamber staff and volunteers who have made 2010-2011 such a great year!

Another successful year is on its way.

**Bob Scull**  
**President, 2011-2012**

## Message from the Mayor

Lincoln City is a beautiful and welcoming place. And, like the rest of our country, we are dealing with economic challenges.

We are meeting those challenges. Through good management and foresight, the City of Lincoln City hasn't had to cut any services and there are no pending plans for reduction of services. We've made investments in our infrastructure with major improvements in our water and sewer systems and considerable street renovations and repairs. Lincoln City is financially stable for the foreseeable future. We are paving the way for growth.

Best of all, people are willing to take a leap of faith in Lincoln City, whether moving here to start a business or buying a home in our community. Several local businesses have expanded, both in facilities and staff. For instance, Chinook Winds Casino Resort remodeled their motel and restaurant. Roadhouse 101 created Rusty Truck Brewing Company with a new building and staff. We have several new businesses, including Mojo Coffee, Starfish Framing and More, Tan Republic and Rock Your World. And other local businesses have new owners who see real potential for discretionary income businesses here.

Lincoln City continues to welcome guests as a tourist destination. We are maintaining and improving on events, programs and facilities that offer memorable and high quality experiences to our visitors.

Through increased citizen involvement, Lincoln City is forging ahead. We are preserving our natural beauty, strengthening our business community and making Lincoln City a great place to grow.

## About Lincoln City

Lincoln City is located on the scenic Oregon Coast at the 45th parallel, situated 11 feet above sea level. It is bordered by 680-acre Devils Lake and the Coast Range on the east and the Pacific Ocean on the west. Lincoln City boasts 7½ miles of beautiful, clean sandy beaches, the Salmon River to the north and the Siletz Bay and River to the south. Lincoln City enjoys a mild maritime climate, has a thriving retirement community and is a popular tourist destination.

Lincoln City was once five adjacent towns--Oceanlake, Delake, Nelscott, Taft and Cutler City. By the end of 1962 there had been such a rapid rate of growth in terms of new construction and population that city services meant for individual town administration could not keep up with development. After much negotiation, in December of 1964, all five towns voted to consolidate as one city.

Tourism and retirement are the two primary economic resources for the community. With tourism as the mainstay industry, residents and visitors enjoy an abundance of fine restaurants, unique gift shops, galleries, clothing stores and other retail shops.

A wide variety of activities and events go on year round. We combine famous entertainers at Chinook Winds Casino Resort, art events, outdoor adventures, family oriented festivals of all kinds, celebrations for different cultures and diversities with the beauty of the beaches and Lincoln City has everything a person could want in a great place to live or play.
