Did you know that dental bridges were in use by the Romans in 100 AD?

It's true! The Roman Poet Marcus Valerius Martialis wrote about bridges and early dentures as early as 100 AD! He didn't understand how helpful these items would become in our day, adding to the health of a good diet.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! We're here to help!
