Did you know?

Did you know that both sugared and diet soda pop increase cavities?

It's true! Sugar sweetened sodas may contain 7 teaspoons of sugar per can! But diet sodas also have acids in them like phosphoric acid, which quickly erode teeth. Studies have shown that people who drink three sodas per day have up to 62% more tooth decay than those who don't. Water is your friend!

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! We're here to help!

Meet & Greet at Second Street Gallery

Second Street Gallery, 210 Second St. SE in Old Town, welcomes local artist jeweler Heather Bouher for the Meet & Greet the Artist from noon to 4 p.m. Saturday, Aug. 30, and Sunday, Aug. 31.

Inspired by tiny treasured bits of glass found while walking along

the beach, Bouher creates her Glass Roots Jewelry with both recycled and genuine beach glass. Tumbled smooth to the touch, each piece has inherent qualities that make it unique. Fortunate enough to have a humble workspace, a few tools and a sweet passion for glass, Bouher has found that the glass speaks to

her. To Bouher, the glass itself seems to dictate how it will be molded into a new entity, revealing combinations and formations that cannot be denied, much like a puzzle that has not yet been put together. Self proclaimed "glass whisperer," Bouher has been letting the glass speak for itself since 2007.

Singspiration set for Aug. 31

Bandon First Presbyterian Church will host Singspiration at 6 p.m. Sunday, Aug. 31. This is a time of community singing and fellowship and takes place in months with a fifth Sunday.

Singspiration is sponsored by the Bandon Ministerial Association. The entire community of Bandon is invited to participate. Refreshments will be shared following the singing.

Quilts, photos on display at Southern Coos Hospital

"Something Old, Something New, Something Borrowed, Something Blue," is the name of the current show of quilts and photography on display at Southern Coos Hospital & Health Center.

The show features quilts by members of the Bandon Quilter's Guild, imported quilts on loan from The Gypsy Wagon and quilts by family members of employees at the hospital.

The photographs include a series by Tammy Housego that celebrates couples who have been married for many years; photographs taken by Bandon High School students in the classes of Martha Kemple; and photographs on the theme of old/new/borrowed/blue by Janis Cedras Ayers.

All works, other than the BHS display, will stay up through September.

'Clue The Musical' opens Friday at LTOB

NORTH BEND - The On Broadway Thespians present "Clue, The Musical" opening Friday, Aug. 29, and running weekends through Sunday, Sept. 14, at Little Theatre on the Bay, 2100 Sherman Ave., in North Bend. Friday and Saturday performances will be at 7 p.m., with Sunday matinees at 2 p.m..

The internationally popular game is now a fun-filled musical which brings the world's best known suspects to life and invites the audience to help solve the mystery of who killed Mr. Boddy, in what room and with what weapon?

The audience receives forms to help them deduce the solution from clues given throughout the fun-filled evening. Three audience members choose from cards representing the potential murderers, weapons and rooms. There are 216 possible solutions! Only one hard-nosed detective is qualified to unravel the merry mayhem.

Comic antics, witty lyrics and a beguiling score carry the investigation from room to room. Even after the culprit confesses, a surprise twist - the colorful crowd pleaser - delights the audience.

Ticket prices are \$10 for general admission, and \$8 for senior and children 12 and under. Tickets are available online at www.ltoeb.net or by calling 541-756-4336.
