Did you know?

Did you know that dental implants can help to strengthen bone and to save your existing teeth?

It's true! Dental implants exercise and strengthen bone which resorbs when teeth are lost. They also help distribute chewing forces, which reduces stress on existing teeth, and helps prevent damage to good teeth.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! We're here to help!

Christopher Tree presents Spontaneous Sound

Spontaneous Sound by Christopher Tree will be presented at 7:30 p.m. Saturday, April 19, at the Sprague Theater, 1202 11th St. S.W. in Bandon City Park.

“A ton of instruments” — that’s how Tree, 82, of Bandon, describes the hundreds of drums, flutes, bells and other exotic sound-makers he plays. Tree is world renowned for playing two or more instruments at the same time and making perfect harmony.

Tree has been living in Bandon since the 1990s, when he left France after having lived there for 23 years raising children and giving concerts all around France. He came to Bandon to be closer to his son, Jason Tree (proprietor of Pacific Blues). Spry for his age, Tree also works out at the Bandon Fitness Center daily.

The community is invited to come hear this unique legendary musician. The idea for a concert initially came from Susan Tree, founder of Mother’s Natural Grocery, former daughter-in-law of the musician and still his good friend. Tree said the concert he gave in 2013 would be his last, but decided to give it another go, one final time this year. Tree also has held many spontaneous sound workshops for Head Start preschoolers and at other schools throughout the county that involve the children through hands-on instruction.

Tickets are \$10 and free for children under 18 and available at Mother’s and at Pacific Blues in Old Town. For additional information call Christopher Tree at 541-347-1239, e-mail him@treetones@earthlink.net or call Mother’s at 541-347-4086.

Fair focuses on local businesses

New art show opens Sunday at Southern Coos

Businesses will once again showcase their products and services at the second annual Bandon Chamber of Commerce Business Fair, to be held from 1 to 7 p.m. Thursday, April 17, at The Barn, 1200 11th St. S.W. in City Park.

"The Bandon Chamber of Commerce wants to help promote and increase awareness of our businesses during the 2014 season," said Executive Director Julie Miller.

More than 40 local businesses will be showcased at the event and each will offer giveaways, samples and promotional materials as well as a short presentation of what their business has to offer.

The day also will feature prize drawings and a no-host wine and beer bar from 4 to 7 p.m.

The public is invited to attend any time during the day or evening. For more information, contact the Chamber at 541-347-9616.

"Love At First Sight," artworks to celebrate the joys of life will open in the Southern Coos Hospital & Health Center lobby Sunday, April 13, with a reception from 1-3 p.m. Meet the artists and enjoy the classical music of a new trio: Crystal Landucci on keyboards, Kimberly Wurster on cello and Jean Mautner on violin.

Refreshments will be provided by the Hospital Auxiliary. The show will remain on display through June and is sponsored by the Southern Coos Hospital & Health Center and the Southern Coos Hospital Foundation.

Lions 45th Easter Egg Hunt set for April 19

The Bandon Lions Club will hold its 45th annual Easter Egg Hunt on Saturday, April 19, starting at 1 p.m. sharp in Bandon City Park, rain or shine.

Five age groups can hunt in different roped-off areas of City Park: toddlers ages 2 and younger; preschoolers ages 3 and 4; children ages 5 and 6; children ages 7 and 8; and children ages 9 and 10.

Children should bring their own baskets for collecting the eggs. Grand prizes will be awarded for those who find the "special eggs."
