### Did you know?

Did you know that the ancient Etruscans made dental bridges?

**It's true!** Before the Romans, Etruscan goldsmiths made bridges by connecting teeth with gold wire threaded through small holes. Sometimes the teeth had belonged to someone else, and sometimes even to pigs! The things they did to look good back in the day!

**We've come a long way!** With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. We're here to help!
