Did you know? Did you know that the first mass produced toothbrush was developed in 1780, and used the hair from cow tails?
It's true! William Addis came up with the idea while in prison, using the know-how of the Chinese, who had toothbrushes way back in the 1500's. The brushes were made of stiff cow hair and bones.
We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! We're here to help!
