**FH CONSTRUCTION: We do it all!**  
Call 541-347-6141. CCB# 165995.

## Golf for Health Classic set for July 8 and 9

**BANDON** – The ninth annual Golf for Health Classic will be held July 8 and 9 at Bandon Crossings Golf Course, 87530 Dew Valley Lane.

The Golf for Health Classic is one of the largest golf fundraisers on the southern Oregon coast and is hosted by the Southern Coos Health Foundation. The 2016 Golf for Health Classic is sponsored by Chivaroli & Associates Insurance Services, based out of Westlake Village, Calif.

The Golf for Health Classic begins at 4 p.m. on Friday, July 8, with the Skills Challenge. The fun is followed by the Sponsors Appreciation Reception at The Home on the Range at Bandon Crossings with hors d'oeuvres catered by Edgewater's Restaurant of Bandon. The Friday night reception is included in most sponsorships and others can attend for \$15. On Saturday, July 9, golfers will test their mettle during the putting contest and then the scramble begins at 11 a.m. The tournament wraps up with an awards barbecue, raffle and silent

and live auctions.

Cost to play is \$125 for single golfers, or form a team of four for \$500. Sponsorship opportunities are available. The Million Dollar Shot will be back and so will the \$25,000 prize for a Hole-in-One on hole No. 14. There are also prizes for the winning team, closest to the pin, longest drive and aces on any par 3 hole.

“We are pleased to welcome back Chivaroli and Associates Insurance Services as our premiere sponsor,” said Joseph Bain, Foundation president. “They have led the field for all seven years, and assure the success of this event in helping buy new equipment and services for people using our hospital in Bandon.”

Last year's Golf for Health Classic helped buy a bone density scanner to provide osteoporosis screening at Southern Coos Hospital and also supported the fall flu vaccination clinic and disaster drill.

For more information and to register, visit [bandongolfclassic.org](http://bandongolfclassic.org) or call 541-329-1040.

**LAMPLIGHTER MOTEL hiring** part-time housekeeper. Dependable, must have phone. Apply between 9-3.

# Summer lunch program available for all children

BANDON – The free summer lunch program continues in the Bandon School District, though it looks a little different this year.

The program is usually located in the district cafeteria and it is intended for children ages 1-18. This year, however, the district cafeteria is unavailable because the entire building will be undergoing electrical repairs over the summer, so the Harbor Lights Middle School gym stage is the location.

The free program runs until Aug. 24, Monday through Friday from noon-12:30 p.m., with the exception of July 4, when

there is no lunch served. There is no sign up sheet, no list for names to be reviewed at food sites and no IDs required in order to get fed. Adults are welcome as well, but have to pay \$2.

Volunteers are also needed and can contact North Bend School District Food Service Supervisor Linda Gault at 541-751-6779 if they are able to help. Children are welcome to stay and play on the playground after their meal. Visiting children or grandchildren are also welcome and the meal is always free for the kids.

Visit [summerfood.org](http://summerfood.org) for other free lunch locations or dial 211 for more information.

"If you have enjoyed indoor events at 'The Old Langlois Cheese Factory' you will be sure to enjoy the talents of local musicians on the new outdoor stage while taking in the views of the surrounding hills, distant ocean and farmland."

## Mosaics by various artists at library in July

**BANDON** – In July, the Bandon Library Art  
Gallery presents the second annual Mosaic Show:  
"More than a Stepping Stone." Celebrating mosaic  
art in all forms, from abstract and conceptual wall  
art to micro-mosaic jewelry and crafts pieces,  
"More than a Stepping Stone" is a good place to  
explore this exciting medium. The show features

work by artists from southern Washington to Port  
Orford, and includes a display of raw materials,  
definitions of terms, and information about  
resources. Most of the pieces are for sale, and many  
of the artists do commission work.

The show is available for viewing at the library  
Tuesdays through Saturdays from July 1 through 31.

## Repair work scheduled for Highway 101 south this summer

BANDON – The Oregon Department of Transportation will resurface a five mile section of U.S. Highway 101 south of Bandon this summer.

According to ODOT public affairs officer Dan Latham, the project area will extend from Johnson Creek (milepost 275.7) to McTimmons Lane (milepost 280.5). At the north end of the work zone, between Johnson Creek and Beach Loop Road, the contractor will grind out two inches of existing pavement and replace it with new asphalt. South of Beach Loop Road, where the road is more

damaged, the contractor will repair areas that are cracking and pave four inches of new asphalt over the existing road surface.

Due to high traffic volumes in this area, most paving will be scheduled at night. From 7 p.m. to 7 a.m., traffic will be reduced to a single lane through the work zone and pilot cars will provide traffic control. Because there are more than 100 driveways along this stretch of highway, there is a danger that drivers leaving home could turn into oncoming traffic, causing a head-on collision. Therefore, when the high-

way is limited to a single lane at night, residents should wait in their driveways for a pilot car before turning onto the highway. ODOT will post signs at the end of each driveway in the work zone and flaggers will provide traffic control at each intersection.

While some construction will take place in June, most of the nighttime paving work is scheduled for July and August. Motorists can also expect intermittent daytime lane closures.

For more information or to receive updates, contact Latham at [Dan.Latham@odot.state.or.us](mailto:Dan.Latham@odot.state.or.us) or 541-957-3601.
