# Repair work scheduled for Highway 101 south this summer

**BANDON** – The Oregon Department of Transportation will resurface a five mile section of U.S. Highway 101 south of Bandon this summer.

According to ODOT public affairs officer Dan Latham, the project area will extend from Johnson Creek (milepost 275.7) to McTimmons Lane (milepost 280.5). At the north end of the work zone, between Johnson Creek and Beach Loop Road, the contractor will grind out two inches of existing pavement and replace it with new asphalt. South of Beach Loop Road, where the road is more

damaged, the contractor will repair areas that are cracking and pave four inches of new asphalt over the existing road surface.

Due to high traffic volumes in this area, most paving will be scheduled at night. From 7 p.m. to 7 a.m., traffic will be reduced to a single lane through the work zone and pilot cars will provide traffic control. Because there are more than 100 driveways along this stretch of highway, there is a danger that drivers leaving home could turn into oncoming traffic, causing a head-on collision. Therefore, when the high-

way is limited to a single lane at night, residents should wait in their driveways for a pilot car before turning onto the highway. ODOT will post signs at the end of each driveway in the work zone and flaggers will provide traffic control at each intersection.

While some construction will take place in June, most of the nighttime paving work is scheduled for July and August. Motorists can also expect intermittent daytime lane closures.

For more information or to receive updates, contact Latham at Dan.Latham@odot.state.or.us or 541-957-3601.

# Summer lunch program available for all children

BANDON – The free summer lunch program continues in the Bandon School District, though it looks a little different this year.

The program is usually located in the district cafeteria and it is intended for children ages 1-18. This year, however, the district cafeteria is unavailable because the entire building will be undergoing electrical repairs over the summer, so the Harbor Lights Middle School gym stage is the location.

The free program runs until Aug. 24, Monday through Friday from noon-12:30 p.m., with the exception of July 4, when

there is no lunch served. There is no sign up sheet, no list for names to be reviewed at food sites and no IDs required in order to get fed. Adults are welcome as well, but have to pay \$2.

Volunteers are also needed and can contact North Bend School District Food Service Supervisor Linda Gault at 541-751-6779 if they are able to help. Children are welcome to stay and play on the playground after their meal. Visiting children or grandchildren are also welcome and the meal is always free for the kids.

Visit [summerfood.org](http://summerfood.org) for other free lunch locations or dial 211 for more information.

## OSU Extension offers 'The Endocrine Connection' class

BANDON – OSU Extension Family & Community Health is presenting a free seminar that investigates chemicals in our foods and household products that can disrupt endocrine function leading to illness and disease. Discover ways to decrease exposure to these dangerous chemicals and keep your glands and hormones functioning properly. "Food Sleuth: The Endocrine Connection" will be presented by registered dietitian Stephanie Polizzi, MPH, CHES, and will be held from 6:30-8 p.m. Thursday, July 21, at the Bandon Public Library, Sprague Room, 1204 11th St. SW.

To register, contact Coos County OSU Extension at 541-572-5263 ext 25292.

**PUBLISHER'S NOTICE**

All real estate advertised herein is subject to the Federal Fair Housing Act which makes it illegal to advertise "any preference, limitations or discrimination because of race, color, religion, sex, handicap, familial status or national origin, or an intention to make any such preference, limitation or discrimination." We will not knowingly accept any advertising for real estate which is in violation of the law. All persons are hereby informed that all dwellings advertised are available on an equal opportunity basis.

# Youth Center offers summer day camps

BANDON – Registration is now open for Bandon Community Youth Center summer day camps. Summer office hours will vary. Please use email for quickest response to inquiries: bandonyouth@gmail.com.

Day camps are for youths ages 9 and up. Fees vary and scholarships are available. Phone: 541-347-8336 (please be patient for return calls).

**Explorer Camp, July 18-**

**21** – Swimming, hiking, community service project, Rogue River jet boat trip.

**Ocean Commotion Camp, Aug. 15-19** – Beach trip, Washed Ashore, Oregon Coast Aquarium sleep w/sharks (one sleep-over at the Oregon Coast Aquarium in Newport).

Like the Bandon Community Youth Center on Facebook for more information. New website coming soon.

# BLFF Summer Fun Book Sale coming July 14-16

BANDON – The Bandon Library Friends & Foundation's annual July Summer Fun Book Sale is coming soon to the Bandon Public Library's Sprague Community Room. Beginning at 10:30 a.m. Thursday, July 14, members only are welcome until 4 p.m., then everyone is welcome from 4-7 p.m. Hours are 10:30 a.m. to 5 p.m. Friday and Saturday, July 15 and 16. Saturday is Bargain Day with all but the

"better books" going for \$3 a bag. This is an increase from the \$1 a bag books, but still a bargain, said Megan Maloney, BLFF member and one of the book sale organizers.

"Why not bring a friend with you to join BLFF and get in early on Thursday when all the best books are still on the tables?" Maloney said. "We hope to see you all then!"

For Saturday, 10:00am on Friday and Monday 11:30am on Friday. There is a \$1 non-optional charge for publication on mobile devices.

## Mosaics by various artists at library in July

BANDON – In July, the Bandon Library Art Gallery presents the second annual Mosaic Show: “More than a Stepping Stone.” Celebrating mosaic art in all forms, from abstract and conceptual wall art to micro-mosaic jewelry and crafts pieces, “More than a Stepping Stone” is a good place to explore this exciting medium. The show features

work by artists from southern Washington to Port Orford, and includes a display of raw materials, definitions of terms, and information about resources. Most of the pieces are for sale, and many of the artists do commission work.

The show is available for viewing at the library Tuesdays through Saturdays from July 1 through 31.

## Utilities report: South Jetty water line now looped

BANDON – For those of you who have been wondering what was going on along Madison Avenue from Ocean Drive down to the South Jetty over the past several weeks, the water department was completing the installation of a recirculating loop for water that goes to the South Jetty. This ensures that water can flow into the area even if the water line coming down Jetty Road should break. It also is important to have a good strong flow from the fire hydrants when there is a fire and the looped line makes sure that will always happen. It also ensures that the water that is delivered to the South Jetty has the proper amount of chlorine to prevent bacterial

growth in those water lines that are used infrequently. When water stands in pipes, chlorine leaves the system and leads to the risk of bacterial growth. Most of the water lines in Bandon are looped and the South Jetty is one of the last to be completed.

For the next several months, a Utilities Commission member will be available from 10 to 11 a.m. on Saturday mornings at Brewed Awakenings to answer questions and explain why the commission recommended a \$10 increase in the base rate for residential customers and a \$20 increase in the commercial base rate. Everyone is encouraged to come by and ask questions.
