Did you know?

Did you know that Queen Elizabeth I suffered from severe tooth decay?

It's true! In 1598 it was noted that she suffered from terrible toothaches, and the remaining teeth she had were black. The cause seemed to be her excessive use of sugar, which was a common problem among of the British aristocracy. If they just knew about toothbrushes!

We've come a long way!

Collins to present organ recital

BANDON – Tom Collins, music director and organist, will present a free recital at 4 p.m. Sunday, May 22, at Bandon First Presbyterian Church, 592 Edison Ave. SW.

Collins will be assisted by trumpeters Wilbur Jensen and Steve Krajcir. The program will include selections by Bach, Buxtehude, Franck, Howells, Boellmann, Durufle and Langlois. In addition to the two trumpets and organ, there will also be a choral anthem accompanied by organ and trumpets.

Everyone is invited to attend and bring their family, friends, neighbors and anyone who enjoys quality music.

Preppers to meet in Bandon

BANDON – Southwestern Oregon Preppers will hold a meeting at noon Saturday, May 21, at the Bandon Rural Fire Department, U.S. Highway 101 South and 17th Street in Bandon.

“Starting Over” is the main topic. Are you prepared to start over after a disaster? Disasters can be personal, affecting only you, or major, affecting cities. Ideas and strategies will be presented and discussed. SWOP meetings always start with a question and answer period before the main

topic so all in attendance get a chance to participate.

This is a free public meeting to get to know fellow local preppers in southwestern Oregon counties and to exchange information and ideas.

It is important for individuals to understand that they will be “on their own” in the event of a disaster and not to depend on receiving outside help. Join Southwestern Oregon Preppers on Facebook and/or meetup.com.

Special Sweet Speeches to be held May 26

BANDON – A special Sweet Speeches, “Sweet Austin, Autumn and Alex” will be held at 7 p.m. Thursday, May 26, at the Sprague Community Theater, 1202 11th St. SW, to celebrate and raise funds for three qualifying Bandon High School Speech Team members to travel to Salt Lake City, Utah, June 12-17, to represent Bandon at the National Speech and Debate Tournament.

The evening will include the team’s favorite speeches, a silent auction and delicious treats. Donations are being sought for the auction. To donate, contact coach Ellen Howard at 541-347-4413. Cash donations are also welcome and appreciated.

“This is an event that will be inspirational as we send off Autumn, Alex and Austin to nationals as well as recognize our seven seniors: Austin Carrero, Seven Converse, Kayla Dugan, Alexander McKay, Autumn Moss-Strong, and Darby and Max Underdown, as they graduate,”

Howard said.

The performances will include national qualifiers Autumn Moss-Strong and Alexander McKay in Dual Interpretation with “Breath Sounds” and Austin Carrero in Dramatic Interpretation with “Jason,” and OSAA third-place winners Dustin Wilson and Austin Carrero in Dual Interpretation with “Pete.” In addition, Humorous Interpretations will be presented by Max Underdown with “Al Literation, Private Eye,” David Vincent with “Batman and Robin: Best Movie Ever,” Jacob Tidwell with “Three Step Method,” and Jack Turner with “The Black Fedora.”

The seniors on the team will end the program with the traditional senior After Diner Speech, “What Speech Means to Me.”

Tickets, \$10 for adults and \$5 for students, are available from team members, at the Bandon High School office, or at the door the evening of the event.

Tidepooling workshop offered in Gold Beach

GOLD BEACH – Sea shells are beautiful, with their coils and spines, colors and shapes. Learn about mollusks and the other fascinating organisms you will find in southern Oregon’s tide pools in a workshop offered by Southwestern Oregon Community College.

In this workshop, instructor Nancy Treneman introduces marine snails, sea slugs, and chitons. Friday night topics cover many aspects of molluscan biology: the diversity of body plans, reproduction, feeding, and connections in the ecosystem. Saturday morning is a field trip into the

rocky intertidal area to observe local species. The field trip is early, but it will be “so worth it,” Treneman said. Dress warmly and wear rubber boots.

The lecture is scheduled for 6-8:30 p.m. Friday, May 20, at Southwestern’s Gold Beach Center (on the fairgrounds). The next morning, Saturday, May 21, the class will leave the Gold Beach Center at 5:30 a.m. to take advantage of the low tide, returning from the field trip around 9 a.m. Cost of the workshop is \$35. For more information or to register, please contact the Gold Beach Center at 541-247-2741.
