Did you know?

Did you know that the first gold fillings were placed in the 1400's?
It's true! In Italy, gold leaf was used to fill cavities in the teeth of the ruling families. But later in the 1500's, French dentists were filling cavities with lead! We know now that this was not a good decision for the patients' overall health.
We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! We're here to help!

HELP WANTED: LABORER NEEDED for local business. Call 541-743-5508.

I WANT TO SAY A BIG "THANK YOU" to the many people who came to my assistance when I tripped and fell when leaving the Post Office on Tuesday morning. I had fallen onto my knees and hit my face on the door frame and was momentarily incapacitated. When I looked up, there was a circle of kind faces all asking if I was all right, picking up my purse, keys and phone and then helping me to my feet. Thank you to all of you and especially to the kind, tall gentleman (a true gentleman) named Bob who insisted that I take his arm so that he could walk me safely to my car. I am so grateful and thankful that we are living in this community of Beautiful Bandon By The Sea whose residents are so very caring. (Apart from bruises, I am fine.) Thank you all again. Sincerely, Helen Stewart.
