Did you know?

Did you know that Queen Elizabeth I suffered from severe tooth decay?

It's true! In 1598 it was noted that she suffered from terrible toothaches, and the remaining teeth she had were black. The cause seemed to be her excessive use of sugar, which was a common problem among of the British aristocracy. If they just knew about toothbrushes!

Plenty to do at Celtic Fest

COOS BAY – The sixth South Coast Celtic Fest will fill the Hales Center for the Performing Arts at Southwestern Oregon Community College Saturday, May 7, with culture and fun from the Celtic nations.

This year's festival features The Fire Inside, a Celtic band from the Seattle Area, and Two Rivers Morris, a group from Eugene that performs Morris dancing, a lively traditional dance form from the British Isles.

Starting at 10 a.m. there'll be 19 hands-on workshops in music, crafts and history. Try Scottish dancing, learn to play the bodhran or write your own pub song. Make a bracelet or learn how to travel off the beaten path in Ireland and Scotland. Kids can listen to stories, learn a dance, make a drum or bring their violin and learn Irish fiddling.

The evening concert at 7 p.m. will feature a grand

entry by the Oregon Coast Pipe and Drum Band, followed by lively dancing by Two Rivers Morris, singing with Bill Mrkvicka and then the hot Irish and Scottish sounds of The Fire Inside. There'll also be free Celtic music all day, plus a jam session for all comers at 5 p.m. Vendors and a Celtic buffet dinner will round out the experience.

An all-workshops pass is \$15 for adults and \$5 for children, and tickets to the evening concert are \$20. The Celtic Fest is a benefit for the South Coast Folk Society, Coastal Celtic Society and Soroptimist International of the Coos Bay Area. For complete workshop descriptions and ticket info, visit <http://southcoastfolksociety.wordpress.co>, find South Coast Celtic Fest on Facebook, or call 541-808-1773.

Relay for Life set for June 18 at BHS track

BANDON – The second annual Relay for Life of the Bandon area will be held June 18-19 at the Bandon High School track.

There are currently eight teams registered and others are encouraged to join in this important fundraiser. It's not too late to form a team or join a team for the event. Relay for Life is the American Cancer Society's signature activity to raise funds to fight cancer. Relay is an overnight walk-a-thon where teams of family members and friends come together to honor survivors, remember loved ones lost to cancer and fight back against the disease.

This year's Relay kicked off with a chili feed fundraiser in January and a Survivor's Social in April. Other events are planned up to the Relay event,

including the first Bandon Bark for Life from 10:30 a.m.-1 p.m. Saturday, May 21, at Bandon City Park, which includes a canine non-competitive walk, lunch, music and events. For information, visit www.relayforlife.org/bark-bandonor or call Nancy Fitch at 541-551-1561.

John Bacon serves as the Relay for Life South Coast Community manager. Working for ACS is more than just a job for Bacon. He has a special passion when it comes to the fight against cancer, as it took the lives of both of his parents. He has a heart for both those battling cancer as well as for those who come alongside as supporters and cheerleaders. Bacon is deeply dedicated to promoting a healthy lifestyle and loves to make people

smile whenever possible.

Teams are busy raising funds, which benefit cancer victims in Coos and Curry counties through the American Cancer Society.

For more information on Relay or to sign up a free family and friends or business team, visit RelayForLife.org/bandonOR.
