Did you know? Did you know that
people who take care of their oral health
live longer?

It's true! Scientific studies have shown that
people who have good oral health generally
also have good overall health, and live as
much as ten years longer than people who
have poor oral health, with its associated
systemic infections.

We've come a long way! With excellent
dental care from Dr. Strong, you will protect
your teeth, look great, and feel even better.
Keep your beautiful teeth and smile for a
lifetime! We enhance people's lives!

Everyone is welcome to join the group for lively discussion and delicious refreshments. Bandon Readers Book Club is sponsored by the Bandon Library Friends and Foundation.

Sunset Garden Club to hold plant sale

PORT ORFORD – The Sunset Garden Club of Port Orford will hold their annual plant sale from 9 a.m.-1 p.m. Saturday, May 13, at the Port Orford Community Center on East 11th Street.

Gardening experts Kirk Johnson and Jennifer Ewing will be on hand to answer any questions about gardening problems or what plants will do well in the coastal climate.

There will be vegetable starts, herb plants,

flower seedlings and seeds, houseplants and succulents. Many local merchants have contributed tools and gift certificates for the raffle.

"This is your opportunity to buy plants that have been raised in our local climate and will not be shocked by the cool weather when they go into the ground," said an organizer. "You will be pleased with the selection of plants and the information available."
