Did you know?

Did you know that the ancient Etruscans
made dental bridges?

It's true! Before the Romans, the Etruscan
dentists were goldsmiths, who made
bridges by connecting teeth with gold wire
threaded through small holes. Sometimes
the teeth had belonged to someone else,
and sometimes even to pigs! The things
they did to look good!

We've come a long way! With excellent
dental care from Dr. Strong, you will protect
your teeth, look great, and feel even better.
With dental implants, you can now keep
your smile for a lifetime! We're here to help!

'The Little Mermaid Jr.' continues this weekend

The Bandon-based youth theater program New Artists Productions presents Disney's "The Little Mermaid Jr." as its 2013 summer musical. The production features a cast of 50 student actors making a big splash at the Sprague Community Theater. The actors, from Bandon, Coos Bay, Coquille, North Bend and Sixes, have worked for nearly three months to bring the musical to the stage. The score features "Part of Your World," "She's in Love," "Kiss the Girl," "Poor Unfortunate Souls," "Human Stuff" and the Academy Award-winning Best Original Song, "Under the Sea," composed by eight-time Academy Award winner Alan Menken and his longtime collaborator, the late Howard Ashman, as well as new songs by Menken and lyricist

Glenn Slater.

According to Anita Almich, who is co-directing the play with husband, Dan, the production "will be fun for the whole family and includes lots of laughs, thoughtful moments and unbelievable singing, dancing and costumes." Disney's "The Little Mermaid Jr." runs one more weekend, July 19, 20 and 21, at the Sprague Community Theater, 1202 11th St. S.W. in Bandon. Show times are 7 p.m. Friday and Saturday and 2 p.m. Sunday.

Tickets are available at Bandon True Value or at the door. Tickets cost \$10 for adults, \$8 for senior citizens and \$5 for students (K-12), and can be reserved by calling the Almichs at 541-347-2517.
