Did you know?

Did you know that dental implants are highly successful, and offer a better option than a bridge?

It's true! Dental implants have a success rate of over 95%. Many patients have had implants for more than 20 years. And an implant saves adjacent teeth, works like a natural tooth, and is easy to keep clean.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! We're here to help!
