Did you know?

Did you that the first woman dentist in English history was noted before the pilgrims came to America?

It's true! Mrs. B. Dawson was mentioned in the Annals of Barber Surgeons in 1557. It seems she had helped her husband pull teeth at the barber shop, and kept it up after he passed away.

We've come a long way!

With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! We're here to help!
