

What you don't know about Walk-In Tubs can hurt you. The Walk-In Tub reinvented... by Jacuzzi Inc.

Myth #1- Walk-In Tubs are only for safety. While having a door on your tub can prevent bathroom falls, a great Walk-In Tub does so much more. Only Jacuzzi® Walk-In Tubs feature the patented PointPro® jets that provide the optimum mix of water and air to provide strong yet gentle hydrotherapy.

Myth #2- Walk-In Tubs make you wait a long time while they fill and drain. Most do, but the innovative engineers at Jacuzzi Inc. have spent years perfecting the FastFill™ and FastDrain™ Technology that enables you to spend more time bathing and less time waiting.

Myth #3- You have to pay for extra features. Most Walk-In Tubs are base models, and as you tack on extra features the price goes up... a lot. Jacuzzi® Walk-In Tubs come standard with Air and Water Jets, Color Light Therapy, Aromatherapy, FastFill™ and FastDrain™ Technology and the only foot massage jets on the market. All for one low price.

Myth #4- Walk-In Tubs are expensive. Moving into an Assisted Living Facility is expensive. So is a broken hip. Jacuzzi® Walk-In Tubs are a great investment and can even increase the value of your home. Quality craftsmanship and innovative design are worth every penny.

Myth #5- All Walk-In Tubs are the same. They aren't. And only one of them is made by the company that's known worldwide for its bathtubs- the company that practically invented hydrotherapy.

Now that you know a little bit more about Walk-In Tubs, why not take the next step. Call now for more information on the Walk-In tub that's revolutionized the bathing industry. Jacuzzi® Walk-In Tub... there's only one.

Could be installed in your home for as little as \$15,000.
