

Physical Therapist and Physical Therapist Assistant

CARE for Children, a leading provider of children's services, is looking for a qualified full or part-time Physical Therapist to provide School Based Therapy and Early Intervention services in McKean and/or Potter Counties.

CARE is also looking for a qualified PTA to provide school based therapy services 6 to 15 hours per week in McKean County.

Successful candidates will have the ability to complete therapeutic interventions in an interdisciplinary environment; and be team players who will support the mission driven culture of the organization.

CARE offers competitive compensation, flexible scheduling, a family-friendly workplace and a full range of benefits for full-time employees. Pediatric experience preferred and current PA license is required for both positions.

For a complete job description, visit www.careforchildren.info. Please send a cover letter and resume to Tina Martin, Executive Director, CARE for Children, PO Box 616, Bradford, PA 16701 or email as a PDF or Word attachment to tinam@careforchildren.info.
